## Quick notes

If you're reading through this PDF and some of the images look blurry, it can be fixed by using Adobe Reader rather than a web browser to view it (I would expect other dedicated PDF viewers to work fine also, but I haven't tested any others). Of course, if you don't mind it, continue on.

If you use Adobe Reader, you also need to make sure the settings are set up correctly. Once you have the program open, go to: Edit > Preferences... > Page Display > Resolution. Once you're there, make sure it's set to "Use system setting." If that doesn't solve it, use "Custom resolution" and set it to 96 pixels/inch.

# **INTRODUCTION**

# Some "Q" Basics

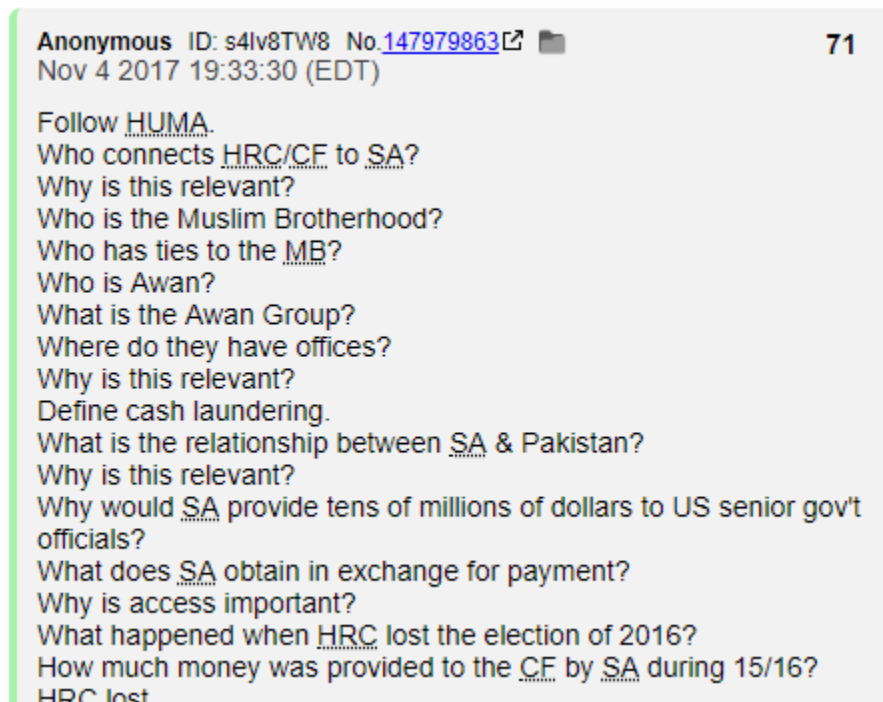

This is just a random post I picked to use as an example – the post content does not matter here.

The screenshot shows a forum post from user 'Q' with ID 'bd9bfd' and post number '2810036'. The post is dated 'Aug 30 2018 22:12:03 (EDT)' and is labeled '2023'. The post content includes a reply from an 'Anonymous' user (ID: 709118, No. 2809998) dated 'Aug 30 2018 22:09:28 (EDT)'. The reply contains several red text lines: '>>2809946', '>>2809954', '>>2809955', '>>2809980', and '>>2809985'. The main text of the reply reads: 'yup, DDOS, 502s, and captcha with means **OVER THE TARGET**'. Below this, there are two more red text lines: '>>2809985' and 'kek'. At the bottom of the post, there is a red text line '>>2809998' followed by the text 'Retaliation - 'Horizon' active.' and 'Q'. Two callout boxes are present: one pointing to the '2023' label with the text 'Q posts are numbered in order – this is Q's 2023<sup>rd</sup> post.', and another pointing to the dashed gray box around the reply with the text 'This darker gray box is the post that Q is replying to.'

## “Questions provide answers”

Q's posts are often arranged as a series of questions, where one question answers the question that was asked just before it.

An example (full post not shown):

The questions are set up so that they imply the answer:

What does SA obtain in exchange for payment?

Access

Why is access important?

There's no reason you would ask "Why is access important?" if the answer to the previous question wasn't "access" – the answer is implied.

## Another example:

Can it be used by bad actors (escape, bribes, rogue contractors, etc.)?  
Slush fund?  
Did the US gov't seize/stop/track other slush funds that prevent or create risk to operate?  
Why did JK travel to SA recently?  
What is SA known for?  
Where do the biggest donations originate from?  
Why is this relevant?  
What else is relevant w/ SA?  
Safe harbor?  
Port of transfer?  
Why was there a recent smear campaign against JK and POTUS?  
Why is the timing important?  
Who released the article?  
The council of Wizards & Warlocks cannot be defeated.  
Nice view up here.  
Q

ANSWERS

Did the US gov't seize/stop/track other slush funds that prevent or create risk to operate?

Why did JK travel to SA recently?

To "seize/stop/track other slush funds that prevent or create risk to operate"

What is SA known for?

Where do the biggest donations originate from?

SA

*JK = Jared Kushner*

*SA = Saudi Arabia*

# Donald Trump interview with Rona Barrett

October 6<sup>th</sup>, 1980

**Rona Barrett:** *You are a mover. You are a doer. If you could make America perfect, how would you do it?*

**Donald Trump:** *Well, I think that America is a country that has tremendous, tremendous potential. I think that much like the mind I think that America is using very, very little of its potential. I feel that this country with the proper leadership can go on to become what it once was, and I hope, and certainly hope, that it does go on to be what it should be.*

**Rona Barrett:** *What should it be?*

**Donald Trump:** *It should really be a country that gets the respect of other countries.*

**Rona Barrett:** *Is respect the most important thing in your opinion?*

**Donald Trump:** *Respect can lead to other things. When you get the respect of the other countries, then the other countries tend to do a little bit as you do, and you can create the right attitudes. The Iranian situation is a case in point. That they hold our hostages is just absolutely, and totally ridiculous. That this country sits back and allows a country such as Iran to hold our hostages, to my way of thinking, is a horror, and I don't think they'd do it with other countries. I honestly don't think they'd do it with other countries.*

---

**Rona Barrett:** *For some people the ultimate goal in life has been becoming the President of the United States, would you like to be the President of the United States?*

**Donald Trump:** *I really don't believe I would, Rona. But I would like to see somebody as the president who could do the job, and there are very capable people in this country.*

**Rona Barrett:** *Most people who are capable and not running for office. Most men are frightened of politics today.*

**Donald Trump:** *It is a shame, isn't it?*

**Rona Barrett:** *Yes.*

**Donald Trump:** *It is a shame. The most capable people are not necessarily running for political office, and that is a very sad commentary on the country. They head major corporations, and they head this and that, but they are not running for political office.*

**Rona Barrett:** *Why wouldn't someone like yourself run for political office? You have all the money that you possibly need. You've accomplished a great deal even though you are only 34. I know there's a lot of things that you possibly can do in the years ahead. Why wouldn't you dedicate yourself to public service?*

**Donald Trump:** *Because I think it's a very mean life. I would love, and I would dedicate my life to this country but I see it as being a mean life, and I also see it in somebody with strong views, and somebody with the kind of views that are maybe a little bit unpopular, which may be right, but may be unpopular, wouldn't necessarily have a chance of getting elected against somebody with no great brain but a big smile. That's a sad commentary for the political process.*

**Rona Barrett:** *Television in a strange way has ruined that process, hasn't it?*

**Donald Trump:** *It's hurt the process very much. I mean the Abraham Lincoln's of the world. Abraham Lincoln would probably not be electable today because of television. He was not a handsome man, and he did not smile at all. He would not be considered to be a prime candidate for the presidency, and that's a shame, isn't it?*

**Rona Barrett:** *But if all the men are like you, then when are we going to get somebody who might be good?*

**Donald Trump:** *I don't know. I hope it's around the corner, but I don't know. I really don't know. What I would like to be involved in is trying to help choose somebody, or working with a group of people whereby they put up a candidate who would be acceptable to be a presidential, you know, to be the president. The country if we have the one man, and it's really not that big a situation. You know people say, "Well, what could anybody do as president?" One man could turn this country around. The one proper president could turn this country around. I firmly believe that.*

# Trump gives a campaign speech

October 13<sup>th</sup>, 2016

South Florida Fair Expo Center, West Palm Beach, Florida

*“Thank you, it is so great to be here in Florida.*

*In 26 days, we are going to win the state, and we are going to win the White House.*

*Our movement is about replacing a failed and corrupt political establishment with a new government controlled by you, the American People.*

*There is nothing the political establishment will not do, and no lie they will not tell, to hold on to their prestige and power at your expense.*

*The Washington establishment, and the financial and media corporations that fund it, exists for only one reason: to protect and enrich itself.*

*The establishment has trillions of dollars at stake in this election. As an example, just one single trade deal they'd like to pass, involves trillions of dollars controlled by many countries, corporations and lobbyists.*

*For those who control the levers of power in Washington, and for the global special interests they partner with, our campaign represents an existential threat.*

*This is not simply another 4-year election. This is a crossroads in the history of our civilization that will determine whether or not We The People reclaim control over our government.*

*The political establishment that is trying everything to stop us, is the same group responsible for our disastrous trade deals, massive illegal immigration, and economic and foreign policies that have bled this country dry.”*

*“It's a global power structure that is responsible for the economic decisions that have robbed our working class, stripped our country of its wealth, and put that money into the pockets of a handful of large corporations and political entities.”*

*“The Clinton Machine is at the center of this power structure. We've seen this firsthand in the WikiLeaks documents in which Hillary Clinton meets in secret with international banks to plot the destruction of U.S. sovereignty in order to enrich these global financial powers.”*

*“With their control over our government at stake, with trillions of dollars on the line, the Clinton Machine is determined to achieve the destruction of our campaign, which has now become a movement the likes of which our country has never seen before – and we won't let them do that.*

*The most powerful weapon deployed by the Clintons is the corporate media. Let's be clear on one thing: the corporate media in our country is no longer involved in journalism. They are a political special interest, no different than any lobbyist or other financial entity with an agenda. And their agenda is to elect the Clintons at any cost, at any price, no matter how many lives they destroy.*

*For them, it is a war – and for them, nothing is out of bounds.*

*This is a struggle for the survival of our nation. This election will determine whether we are a free nation, or whether we have only the illusion of Democracy but are in fact controlled by a small handful of global special interests rigging the system.*

*This is not just conspiracy but reality, and you and I know it.*

*The establishment and their media enablers wield control over this nation through means that are well known. Anyone who challenges their control is deemed a sexist, a racist, a xenophobe and morally deformed. They will attack you, they will slander you, they will seek to destroy your career and reputation. And they will lie, lie and lie even more.*

*The Clintons are criminals. This is well-documented, and the establishment that protects them has engaged in a massive cover-up of widespread criminal activity at the State Department and Clinton Foundation in order to keep the Clintons in power. Never in history have we seen such a cover-up as this, one that includes the destruction of 33,000 emails, 13 phones, laptops, missing boxes of evidence, and on and on.*

*People who are capable of such crimes against our nation are capable of anything.”*

*“But let me state this as clearly as I can. These attacks are orchestrated by the Clintons and their media allies. They are false and slanderous in every respect.”*

*“So now, the Clinton Machine, has put forward a small handful of people out of the tens of thousands I have met, worked with and employed – in order to make wild and false allegations that fail to meet even the most basic test of common sense. Again, this is nothing more than an attempt to destroy our movement and for the Clintons to keep their corrupt control over this government.*

*When I declared my candidacy, I knew what bad shape our country was in. I had seen firsthand the corruption and the sickness that has taken over our politics. I knew they would throw every lie they could at me, and my family, and my loved ones.*

*I knew they would stop at nothing to try to stop me.*

*But I take all of these slings and arrows for you. I take them for our movement, so that we can have our country back.*

*Our great civilization, here in America and across the civilized world, has come upon a moment of reckoning.*

*We’ve seen it in the United Kingdom, where they voted to liberate themselves from global government and global trade deals and global immigration deals that have destroyed their sovereignty.*

*But the central base of world political power is here in America, and it is our corrupt political establishment that is the greatest power behind the efforts at radical globalization and the disenfranchisement of working people.*

*Their financial resources are unlimited. Their political resources are unlimited. Their media resources are unlimited. And, most importantly, the depths of their immorality is unlimited.*

*Our political establishment has no soul.”*

*“This is a conspiracy against you, the American people.*

*This is our moment of reckoning as a society and as a civilization.*

*I didn't need to do this. I built a great company, and I had a wonderful life. I could have enjoyed the benefits of years of successful business for myself and my family, instead of going through this absolute horror show of lies, deceptions and malicious attacks. I'm doing it because this country has given me so much, and I feel strongly it was my turn to give back.*

*Some people warned me this campaign would be a journey to hell. But they are wrong, it will be a journey to heaven because we will help so many people.*

*In my former life, I was an insider as much as anybody else – and I know what it's like to be an insider. Now I am being punished for leaving their special club and revealing to you their great scam. Because I used to be part of the club, I'm the only one who can fix it. I'm doing this for the people, and this movement is just right – and we will take back this country for you and Make America Great Again.*

*The corrupt establishment knows that we are an existential threat to their criminal enterprise. They know, that if we win, their power is gone and returned to you. The clouds hanging over our government can be lifted, and replaced with a bright future – but it all depends on whether we let the New York Times decide our future, or whether we let the American people decide our future.”*

*“I will not lie to you. These false attacks hurt. To be lied about, to be slandered, to be smeared so publicly and before your family, is painful.*

*What the Clinton Machine is doing to me, and my family, is egregious beyond words. It is reprehensible beyond description.*

*But I also know, it's not about me – it's about all of you. It's about all of us, together, as a country.*

*It's about the Veterans who need medical care, the mothers who've lost children to terrorism and crime, it's about the inner cities and the border towns who desperately need our help, it's about the millions of jobless Americans. This election is about the people being crushed by Obamacare, and it's about defeating ISIS and appointing Supreme Court Justices who will defend our Constitution.*

*This election is also about the African-American and Hispanic communities whose communities have been plunged into crime, poverty and failing schools by the policies of Hillary Clinton. They've robbed these citizens of their future, and I will give them their hope, jobs and opportunities back. I will deliver.*

*This election is about every man, woman and child in our country who deserves to live in safety, prosperity and peace.”*

*“We will rise above the lies, the smears, and the ludicrous slanders from ludicrous reporters.*

*We will vote for the country we want.*

*We will vote for the future we want.*

*We will vote for the politics we want.*

*We will vote to put this corrupt government cartel out of business. We will remove from our politics the special interests who have betrayed our workers, our borders, our freedoms, and our sovereign rights as a nation. We will end the politics of profit, we will end the rule of special interests, we will put a stop to the raiding of our country – and the disenfranchisement of our people.”*

# Trump is inaugurated

January 20<sup>th</sup>, 2017

During his inauguration speech, something very unusual happened.

He started out:

*“Chief Justice Roberts, President Carter, President Clinton, President Bush, President Obama, fellow Americans, and people of the world: thank you.*

*We, the citizens of America, are now joined in a great national effort to rebuild our country and to restore its promise for all of our people.*

*Together, we will determine the course of America and the world for years to come.*

*We will face challenges. We will confront hardships. But we will get the job done.*

*Every four years, we gather on these steps to carry out the orderly and peaceful transfer of power, and we are grateful to President Obama and First Lady Michelle Obama for their gracious aid throughout this transition. They have been magnificent.”*

At this moment, members of the military came out and stood behind him.

Trump then said:

*"Today's ceremony, however, has very special meaning. Because today we are not merely transferring power from one Administration to another, or from one party to another – but we are transferring power from Washington, D.C. and giving it back to you, the American People.*

*For too long, a small group in our nation's Capital has reaped the rewards of government while the people have borne the cost."*

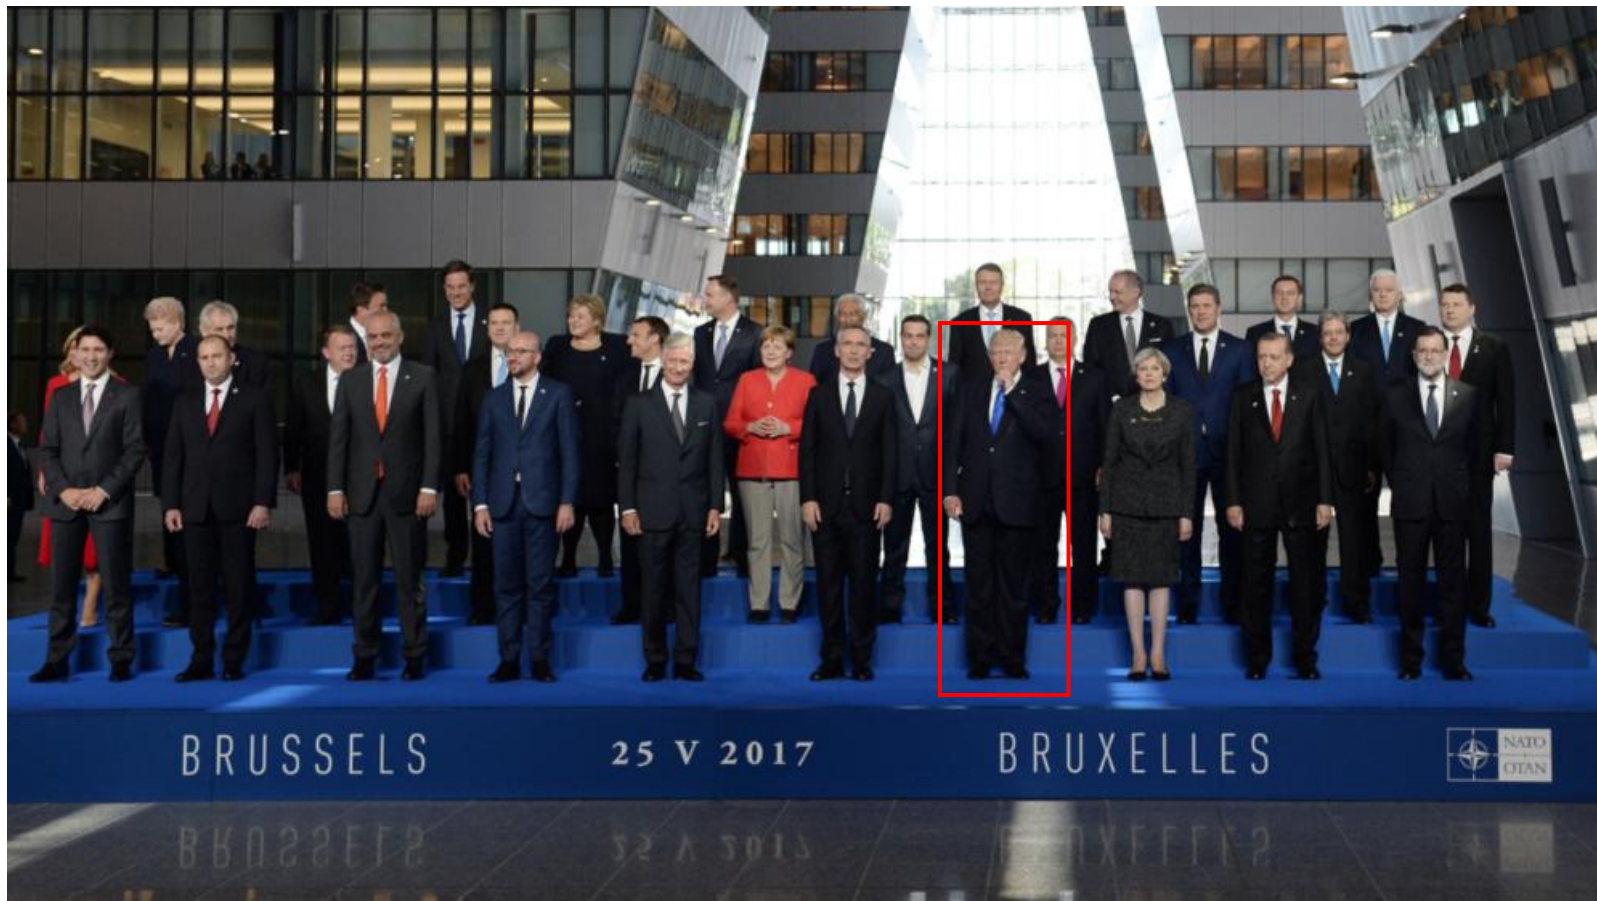

They then turned around and went back, having only stood there for 45 seconds or so. Trump never acknowledged them, but it was undoubtedly planned.

Some of us come here to drop crumbs, just crumbs.  
POTUS is 100% insulated - any discussion suggesting he's even a target is false.  
POTUS will not be addressing nation on any of these issues as people begin to be indicted and must remain neutral for pure optical reasons. To suggest this is the plan is false and should be common sense.

Focus on Military Intelligence/ State Secrets and why might that be used vs any three letter agency  
What SC decision opened the door for a sitting President to activate - what must be showed?  
Why is POTUS surrounded by generals ^^  
Again, there are a lot more good people than bad so have faith.  
This was a hostile takeover from an evil corrupt network of players (not just Democrats).

Don't fool yourself into thinking Obama, Soros, Roth's, Clinton's etc have more power present day than POTUS.  
Operation Mockingbird  
Patriots are in control. Sit back and enjoy the show.

Key:  
Military Intelligence v FBI CIA NSA  
No approval or congressional oversight  
State Secrets upheld under SC  
Who is the Commander and Chief of the military?  
Under what article can the President impose MI take over investigations for the 3 letter agencies? What conditions must present itself? Why is this so VERY important? Who surrounds POTUS? They lost this very important power \_ the one area of the govt not corrupt and directly serves POTUS.

>What must be completed to engage MI over other (3) letter agencies

During the 1950s and 60s, federal troops and federalized National Guard forces, accompanied by military intelligence personnel, were deployed to help integrate Southern schools<sup>23</sup> and to help deal with civil disorders in Detroit in 1967 and other cities the following year after the assassination of Dr. Martin Luther King Jr.<sup>24</sup> Throughout this period military intelligence units also continued to collect data on Americans at home who were suspected of involvement in subversive activities.<sup>25</sup> In the late 1960s, the Pentagon compiled personal information on more than 100,000 politically active Americans in an effort to quell civil rights and anti-Vietnam War demonstrations and to discredit protestors.<sup>26</sup> The Army used 1,500 plainclothes agents to watch demonstrations, infiltrate organizations, and spread disinformation. <sup>2</sup>

' According to one report, the Army had at least one observer at every demonstration of more than twenty people.<sup>28</sup>

The Army's activities were summed up by Senator Sam Ervin:

Allegedly for the purpose of predicting and preventing civil disturbances which might develop beyond the control of state and local officials, Army agents were sent throughout the country to keep surveillance over the way the civilian population expressed their sentiments about government policies. In churches, on campuses, in classrooms, in public meetings, they took notes, tape-recorded, and photographed people who dissented in thought, word, or deed. This included clergymen, editors, public officials, and anyone who sympathized with the dissenters.

Why is this relevant?  
Who can be held hostage and controlled?  
CIA thinks its foreign offshore assets are strong enough to defend against the US executive (not accounting for military use on domestic soil).  
Why does the Constitution explicitly grant this authority to the President and what is it to prevent?  
They knew our agencies would grow in power so much so they could/can hold the executive hostage or engage with bad actors.  
Trump nominated someone new to direct every agency but one. He controls the top.

This has a eerily accurate parallel to the Pizzagate. A new conspiracy theory called "The Storm" has taken the grimmest parts of the internet by, well, storm. Like Pizzagate, the Storm conspiracy features secret cabals, a child sex-trafficking ring led (in part) by the satanic Democratic Party, and of course, countless logical leaps and paranoid assumptions that fail to hold up under the slightest fact-based scrutiny. However, unlike Pizzagate, the Storm isn't focused on a single block of shops in D.C., or John Podesta's emails. It's much, much bigger than that.

Same day.

Some of us come here to drop crumbs, just crumbs.  
POTUS is 100% insulated - any discussion suggesting he's even a target is false.  
POTUS will not be addressing nation on any of these issues as people begin to be indicted and must remain neutral for pure optical reasons. To suggest this is the plan is false and should be common sense.  
Focus on Military Intelligence/ State Secrets and why might that be used vs any three letter agency

## Saudi Arabia announces arrest of billionaire Prince Alwaleed bin Talal

An anti-corruption committee helmed by Crown Prince Mohammed bin Salman arrested dozens on Saturday.

Saudi Arabia –  
The Bloody Wonderland

Notice that Q said “Alice & Wonderland” from the very beginning, instead of Alice in Wonderland. “Alice & Wonderland” is a reference to Hillary & Saudi Arabia. Saudi Arabia was one of Hillary’s biggest donors – but the people in Saudi Arabia who funded her were the ones arrested in the purge.

Q first used “Alice & Wonderland” in the SA related posts on November 2<sup>nd</sup> – two days before the purge happened.

This first proof provides a great opportunity to show how Q's drops work. In most cases, Q can't just tell us exactly what is going to happen, like in the case of the Saudi purge. So, Q drops pieces that can be put together once the event actually happens. Once the pieces are put together, they show that Q knew the event was going to happen beforehand.

In this case, Q made many drops about the military (see introduction), and at the same time, made many separate drops about Saudi Arabia – but never connected the two. Q even gave the dates a military-related event would happen: 11/3-11/4. Then, on 11/4, martial law was declared in Saudi Arabia and dozens were arrested. Once this happened we were able to go back, reread Q's drops, and put the pieces together.

Get the popcorn, **Friday & Saturday** will deliver on the MAGA promise. POTUS knows he must **clean house (gov't)** in order to 'free up' and demonstrate who has authority in order to pass important legislation. This was always the priority. Remember, AG Sessions cannot look like an impartial player that is out to get all former Obama team members as we need him for other important work. All will come into focus and for anyone to think POTUS is not in control is kidding themselves. Also, he's 100% insulated with zero risk of impeachment (fact).

Q Clearance Patriot

My fellow Americans, over the course of the next several days you will undoubtedly realize that we are taking back our great country (the land of the free) from the evil tyrants that wish to do us harm and destroy the last remaining refuge of shining light. On POTUS' order, we have initiated certain fail-safes that shall safeguard the public from the primary fallout which is slated to occur 11.3 upon the arrest announcement of Mr. Podesta (actionable 11.4). Confirmation (to the public) of what is occurring will then be revealed and will not be openly accepted. Public riots are being organized in serious numbers in an effort to prevent the arrest and capture of more senior public officials. On POTUS' order, a state of temporary military control will be actioned and special ops carried out. False leaks have been made to retain several within the confines of the United States to prevent extradition and special operator necessity. Rest assured, the safety and well-being of every man, woman, and child of this country is being exhausted in full. However, the atmosphere within the country will unfortunately be divided as so many have fallen for the corrupt and evil narrative that has long been broadcast. We will be initiating the Emergency Broadcast System (EMS) during this time in an effort to provide a direct message (avoiding the fake news) to all citizens. Organizations and/or people that wish to do us harm during this time will be met with swift fury – certain laws have been pre-lifted to provide our great military the necessary authority to handle and conduct these operations (at home and abroad).

ANSWERS

Here, Q mentions the arrest announcement of a big-named politician in the US, Mr. Podesta, occurring on 11/4 – this did not happen, but a big-named politician in Saudi Arabia, Prince Alwaleed bin Talal, was arrested on 11/4.

“Disinformation is necessary.”

Q cannot state *exactly* what is going to happen, he can only “drop crumbs” that can be understood once the event actually happens.

Q even said, “a state of temporary military control will be actioned,” telling us that martial law would be declared. “Public riots are being organized ... in an effort to prevent the arrest and capture of **more senior public officials.**”

These are from after martial law was declared and many were arrested:

**Subject:** Monarchy ! :-) Hmm.

'Alice',

Your recent 'adventures' warrant use of 'Alice' :-) Today discussed coverage of your trip with our British friend [redacted]

[redacted] His take is that 'America should reconsider a monarchy - assuming Madam Secretary will accept the post' :-) Yep. We also feel Mid East situation would have more clarity and Gulf of Mexico disaster would have been dealt with sooner. My take is that I am just so proud to know the most influential American on the planet....and still want her as Commander-in -Chief. Another 'adventure' behind 'Alice'....accomplished perfectly. Monarchy ? Hmmmm, so how many campaign volunteers will we need for that one ! ? Will find them :-)

[redacted] I note you wrote at 5:30 AM, while concerned about your near term scheduling. We need to get you in a better 'union'. I'm thinking the White House :-). Haven't given up on that and don't want to have made my last 'road trip' for you. Heard from [redacted] a couple of times. I am so happy about [redacted] & new adventure - [redacted] :-). Naturally she directed me to the Pew web site and your comments about her :-)

[redacted] World events amazing. Was thinking about the issues in Korea, the Israeli confrontations at sea, nuclear shell game in Iran, and now the Japanese Prime Minister resigning.

How did SA welcome BO during his trip?  
How did SA welcome HRC during her trip?  
Why is this relevant?  
Not suggesting SA is clean by any means but they play a role in this global game of RISK.

Combine all posts and analyze.  
The questions provide answers.  
Remember, information is everything, the flow of information is no longer controlled by the MSM but by you/others.  
Hence, why we are dedicating 'critical' time to distribute crumbs which can be followed in greater detail to paint the entire picture once more information is released.  
Why has POTUS dedicated so much time into labeling the MSM as fake news?  
Why is this relevant?  
We are fully prepared that all social media will be shut down to prevent the spread of this information (i.e. POTUS' Twitter etc. and/or mass censoring).  
Sealed Federal orders pre-submitted as prevention and masked as 'in general' (though that does not account for rogue agents/programmers within).

## A rogue Twitter employee shut down Donald Trump's account

*For 11 beautiful minutes, the President was off Twitter*

By Casey Newton | @CaseyNewton | Nov 2, 2017, 7:10pm EDT

President Donald Trump's personal Twitter account appeared to be offline on Thursday at around 7:00 p.m. eastern time.

The account was restored several minutes later, but many on Twitter took note of the account's disappearance.

At around 8:00 p.m., the official Twitter Government account tweeted that Trump's account "was inadvertently deactivated due to human error by a Twitter employee."

"The account was down for 11 minutes, and has since been restored," Twitter Government said. "We are continuing to investigate and are taking steps to prevent this from happening again."

POTUS will be well insulated/protected on AF1 and abroad (specific locations classified) while these operations are conducted due to the nature of the entrenchment. It is time to take back our country and make America great again. Let us salute and pray for the brave men and women in uniform who will undertake this assignment to bring forth peace, unity, and return power to the people.

It is our hope that this message reaches enough people to make a meaningful impact. We cannot yet telegraph this message through normal methods for reasons I'm sure everyone here can understand. Follow the questions from the previous thread(s) and remain calm, the primary targets are within DC and remain at the top (on both sides). The spill over in the streets will be quickly shut down. Look for more false flags – stay alert, be vigilant, and above all, please pray.

“For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life. Love is patient, love is kind.”

## Princes and tycoons arrested in Saudi crackdown on corruption

◆ Crown prince's purge is biggest power play yet ◆ Billionaire Alwaleed among detainees

AHMED AL OHRAN — RIYADH  
SIMEON KERR — DUBAI

At least 11 Saudi Arabian princes and dozens of senior officials and prominent businessmen, including one of the world's richest men, have been arrested by the country's new anti-corruption commission.

Billionaire tycoon Prince Alwaleed bin Talal, a big investor in Twitter, Citigroup and many other international companies, was among the senior figures detained in the crackdown, people close to the matter said.

The private airport in Riyadh was closed to prevent personal jets being used to assist any escape, they added.

The arrests, first reported by the Saudi-owned Al Arabiya news channel on Saturday, came hours after King Salman ordered the establishment of an anti-corruption commission and named his 32-year-old son, Crown Prince Mohammed bin Salman, to lead it.

The international stature of outspoken Prince Alwaleed, who has sparred with Donald Trump, US president, on Twitter and is estimated to be worth about \$18bn, has amplified the global reaction to the crown prince's domestic campaign. Shares in Kingdom Holdings, his investment company, fell 8 per cent on the Tadawul stock exchange, despite announcing a sharp rise in third quarter earnings yesterday.

Government officials have not revealed details of the identities of those arrested. Reuters quoted an unnamed senior Saudi official confirming the arrest of Prince Alwaleed and Ibrahim al Assaf, a former finance minister.

Sheikh Saud Al Mojeb, attorney-general, said yesterday that the corruption suspects would retain full legal privileges relating to their property and funds during the probe, adding: "There is an independent judicial process under way, which will be fully respected."

The governor of the Saudi Arabian General Investment Authority said the arrests were "a vital step in creating a

**'No one involved in corruption will escape, regardless if he was a minister or a prince'**

Crown Prince Mohammed bin Salman, quoted earlier this year in TV interview

fair and level playing field for all potential investors".

Heightened security around the Ritz Carlton in Riyadh fuelled rumours that the detainees were being held in the luxury hotel, which only days earlier had hosted a big investment conference. Ritz owner Marriott International said it was evaluating the situation.

The graft clampdown marks the crown prince's most dramatic power play yet as he consolidates his domestic base while pushing ahead with a radical economic reform programme to wean the country off oil revenues.

In a reshuffle on Saturday evening, the king removed Prince Miteb bin Abdullah as minister of the national

guard. A son of the late King Abdullah, Prince Miteb had been regarded as a contender for the throne before being replaced by his less-experienced cousin.

"The dismissals . . . suggest that Mohammed bin Salman is extending his iron grip to the ruling family, the military and the national guard to counter what appears to be more widespread opposition within the family as well as the military to his reforms and the Yemen war," said James Dorsey, a fellow at Singapore's Nanyang Technological University.

Prince Mohammed said in a television interview this year that corrupt officials would be held accountable. "No one who got involved in a corruption case

will escape, regardless if he was a minister or a prince," he said.

The speed and extent of his reforms have prompted dissent among some members of the royal family, who are afraid that their positions of privilege are in jeopardy and are calling for more consultation about the country's whirlwind changes.

Adel Fakihi, the economy minister who played a central role in Prince Mohammed's domestic reforms, was also replaced in the reshuffle.

"This is the latest act of concentration of power in Saudi," said Hasnain Malik, Exotic Capital's head of equity research. Saudi crackdown page 6 David Gardner page 13

# Aylesbury mid-air crash: Four dead as plane and helicopter wreckage lands near Rothschild manor house

By **Patrick Sawyer**, SENIOR REPORTER and **Nicola Harley**

17 NOVEMBER 2017 • 7:52PM

**F**our people have been killed in a mid-air collision between a helicopter and light aircraft flying from an airfield where air traffic control had been shut due to “staff shortages”.

Wreckage from the aircraft tumbled from the sky and landed just over a mile from the former home of the Rothschild banking family at Waddesdon Manor in Buckinghamshire, yesterday lunchtime.

Members of the Rothschild reported hearing a “loud bang” and a plume of smoke could be seen above trees.

The Air Accidents Investigation Branch said the collision involved a helicopter and a two-seat Cessna 152 aircraft, each carrying two people, both of the craft had taken off from Wycombe Air Park, 23 miles away near High Wycombe.

A Notice to Airmen was previously issued to warn pilots the air field's air traffic control services would be closed during three 30-minute periods on selected days between November 7-30 due to a “staff shortage”.

A member of the Rothschild family said the collision missed her by five minutes.

The woman, who did not want her full name published, said she heard a loud bang while she was driving her car to a dog grooming event, near Waddesdon, in Buckinghamshire.

Just five minutes earlier she had been picking a plant in the Wilderness Woods, the scene of the crash site, on the Waddesdon Estate.

"I'm totally shocked," she said. "I heard a loud bang, which I thought was a car crash."

**A**n aviation student who dreamt of becoming a pilot was killed along with three other people when his plane hit a helicopter near the Rothschild's Buckinghamshire estate on Friday.

Friends have paid tribute to 18-year-old Saavan Mundaie, from Buckinghamshire New University's aviation course, saying he died doing what he "loved and believed in".

It is the second time in six years tragedy has struck the course, which lost one of its students when the plane she was flying crashed in a Florida swamp.

Also killed when the student's Cessna 152 crashed into a helicopter on Friday was his flight instructor, the helicopter pilot and his passenger.

**Captain Mike Green, the pilot of the helicopter,** had taken a passenger on a 'gift' sightseeing tour' when his helicopter was hit by the Cessna.

A former colleague, Captain Phil Croucher, said: 'I shared a cup of tea with him only on Thursday morning. He was a true gentleman. He was probably the most well-respected instructor in the country. He achieved a very high position within the Army as an instructor.

'He was an absolutely dedicated instructor. If you wanted a training instructor there's no one more highly qualified. Almost everybody in the country has been instructed by him. Most instructors have been trained by him.'

Green, obviously a good guy, had a mission. We don't know what exactly he was supposed to do. But it had to be something very serious because bad guys countered very seriously and killed several people.

# Q confirms Trump met Kim Jong-un on his Asia trip

Saturday, November 11<sup>th</sup>, 2017

## Definition of Foreshadowing

Foreshadowing is a literary device in which a writer gives an advance hint of what is to come later in the story. Foreshadowing often appears at the beginning of a story, or a chapter, and helps the reader develop expectations about the coming events in a story.

Tuesday, November 14<sup>th</sup>, 2017

(3 days later)

Trump posted a 45-second-long video on Twitter, and said  
"THANK YOU ASIA!"

In the video, there were a few frames shown out the window of a plane, which was flying at the time.

Isn't that curious?  
What's below?  
Q

ANSWERS

*Q hints to investigate and figure out where the plane was when the video was recorded.*

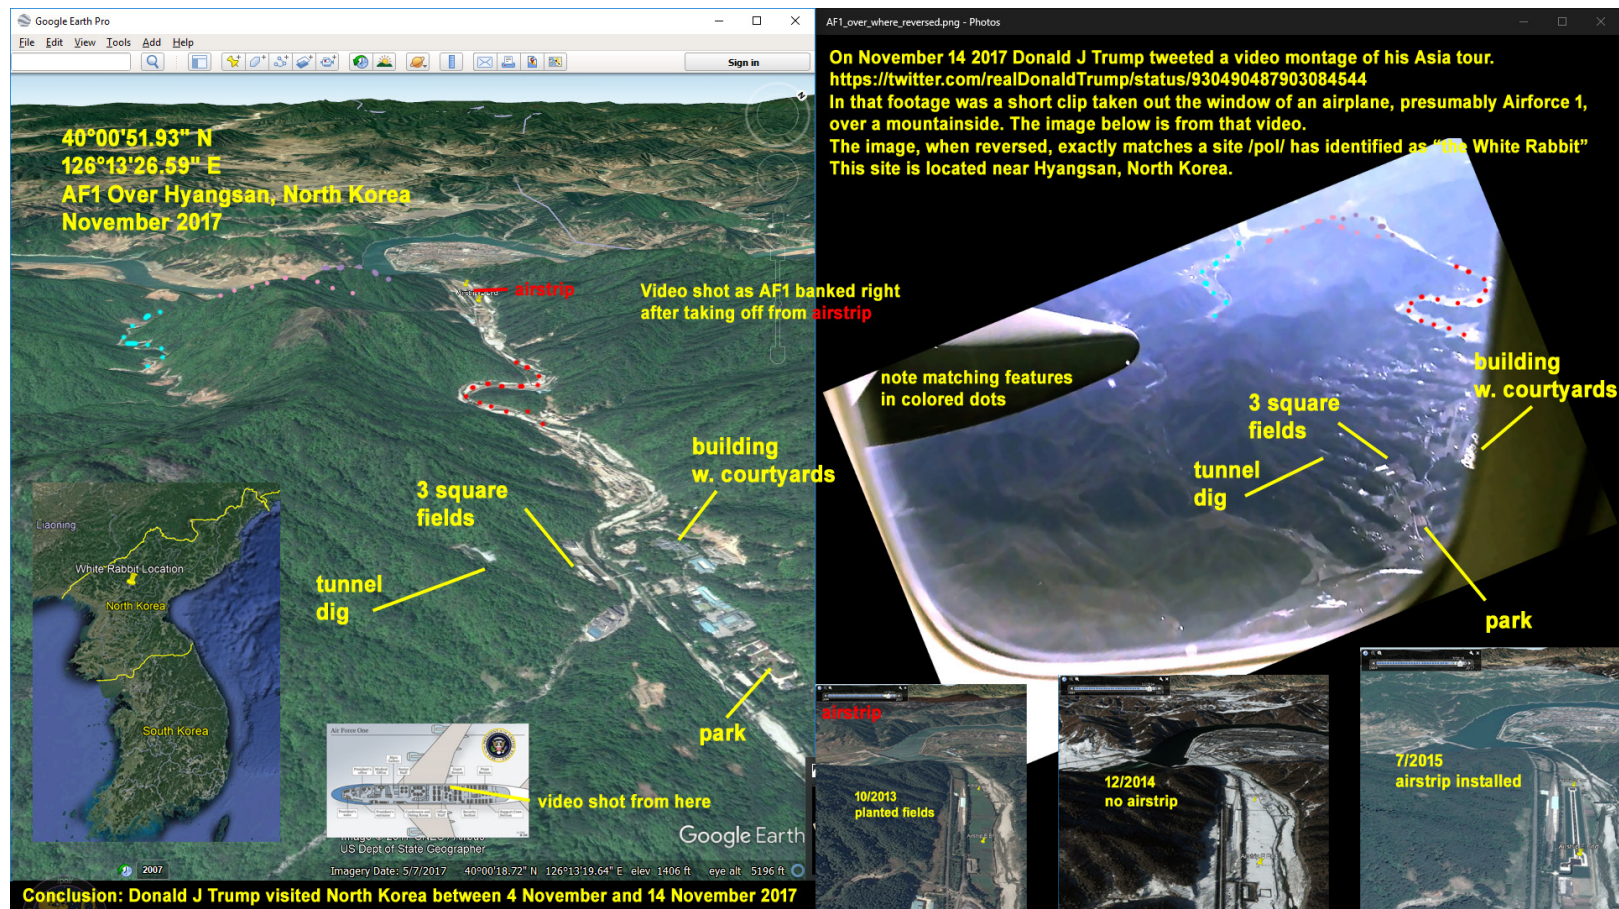

*The shot out the window.*

*The key to getting this shot to match up with a location on Google Maps was to flip it, to get the mirror image. Here's the flipped version:*

*The shot from the video matches up with Hyangsan, North Korea. A side-by-side image is shown on the next page for easy comparison.*

When this shot was taken, the plane was low to the ground, and, as you can see in the left part of the graphic above, near an airfield. This shows that Trump may have stopped in North Korea on his Asia trip somewhere between November 4<sup>th</sup> and November 14<sup>th</sup> – even though this was not announced to the public at all.

They purposely posted this specific shot in the video, knowing we would be able to find the location.

Looking at the places Trump stopped on his Asia trip, it wouldn't make much sense to fly over Hyangsan, North Korea, unless he was stopping there (and, I assume, would be a major security risk). The red map marker is Hyangsan.

**Country-related tweets by Trump (all times EST/EDT):**

Nov. 3, 10:07 PM: "Thank you for such a beautiful welcome Hawaii. My great honor to visit @PacificCommand upon arrival. Heading to Pearl Harbor w/ @FLOTUS now."

Nov. 4, 9:59 PM: "Just gave a speech to the great men and women at Yokota Air Base in Tokyo, Japan. Leaving to see Prime Minister Abe."

Nov. 5, 5:25 AM: "Thank you to President Moon of South Korea for the beautiful welcoming ceremony. It will always be remembered."

Nov. 7, 11:57 PM: "Leaving South Korea now heading to China. Looking very much forward to meeting and being with President Xi!"

Nov. 8, 9:27 AM: "On behalf of @FLOTUS Melania and I, THANK YOU for an unforgettable afternoon and evening at the Forbidden City in Beijing, President Xi and Madame Peng Liyuan. We are looking forward to rejoining you tomorrow morning!"

Nov. 9, 8:17 PM: "I am leaving China for #APEC2017 in Vietnam. @FLOTUS Melania is staying behind to see the zoo, and of course, the Great WALL of China before going to Alaska to greet our AMAZING troops."

Nov. 10, 12:45 AM: "Just landed in Da Nang, Vietnam to deliver a speech at #APEC2017"

Nov. 12, 5:21 AM: "Just landed in the Philippines after a great day of meetings and events in Hanoi, Vietnam!"

Nov. 14, 11:42 PM: "Just returned from Asia after 12 very successful days. Great to be home!"

Why would they post this split-second shot out the window of AF1—looking down on Hyangsan, North Korea—if it wasn't meant for us? Who else, other than us, would see that in the video and look into where that shot could've been taken? Who, other than the anons on 4chan & 8chan, would be able to find the exact location, when it could've been recorded anywhere in the vicinity of the countries they visited?

Keep in mind that Trump and Kim Jong-un were still exchanging insults and threats long after that point in November, even though North Korea stopped all missile tests. The example below is from 1/2/2018.

If they were real threats, and North Korea was ready to bomb us, why did they stop all missile testing back in November?

For the coming days ahead.  
Ask yourself an honest question, why would a billionaire who has it all, fame, fortune, a warm and loving family, friends, etc. want to endanger himself and his family by becoming POTUS?  
Why would he want to target himself and those he cares about?  
Does he need money?  
Does he need fame?  
What does he get out of this?  
Does he want to make the US/world a better place for his family and for those good and decent people who have long been taken advantage of?  
Perhaps he could not stomach the thought of mass murders occurring to satisfy Moloch?  
Perhaps he could not stomach the thought of children being kidnapped, drugged, and raped while leaders/law enforcement of the world turn a blind eye.  
Perhaps he was tired of seeing how certain races/countries were being constantly abused and kept in need/poor/and suffering all for a specific purpose.  
Perhaps he could not in good conscious see the world burn.  
Why, hours after the election, did seven people travel to an undisclosed location to hold a very private & highly secured/guarded meeting?  
Why didn't HRC give a concession speech?  
When was the last time a presidential candidate didn't personally give a concession speech?  
What happens if the border remained open and the MSM continued to brainwash?  
At what point do Patriots, and hard working men and woman, become the minority?

## **FBI's Strzok and Page spoke of 'secret society' after Trump election, lawmakers say**

Two top FBI officials under fire for exchanging anti-Trump text messages during the 2016 election spoke of a “secret society” the day after President Trump's victory, according to two lawmakers with knowledge of the messages.

Peter Strzok – a top counterintelligence official involved in both the Hillary Clinton email probe and FBI Special Counsel Robert Mueller's Russia probe – exchanged more than 50,000 messages with senior FBI lawyer Lisa Page, with whom he was romantically involved.

House Oversight and Government Reform Committee Chairman Trey Gowdy, R-S.C., and Rep. John Ratcliffe, R-Texas, said Monday that among the messages the pair exchanged are references to a “secret society” within the Department of Justice and the FBI.

“We learned today about information that in the immediate aftermath of [Trump's] election, that there may have been a secret society of folks within the Department of Justice and the FBI – to include Page and Strzok – that would be working against him,” Ratcliffe said Monday on Fox News' “The Story with Martha MacCallum.”

*They just learned that day (1/22/2018) about this meeting – Q knew about it long before they did.*

“I’m not saying that actually happened, but when folks speak in those terms, they need to come forward to explain the context with which they used those terms,” he added.

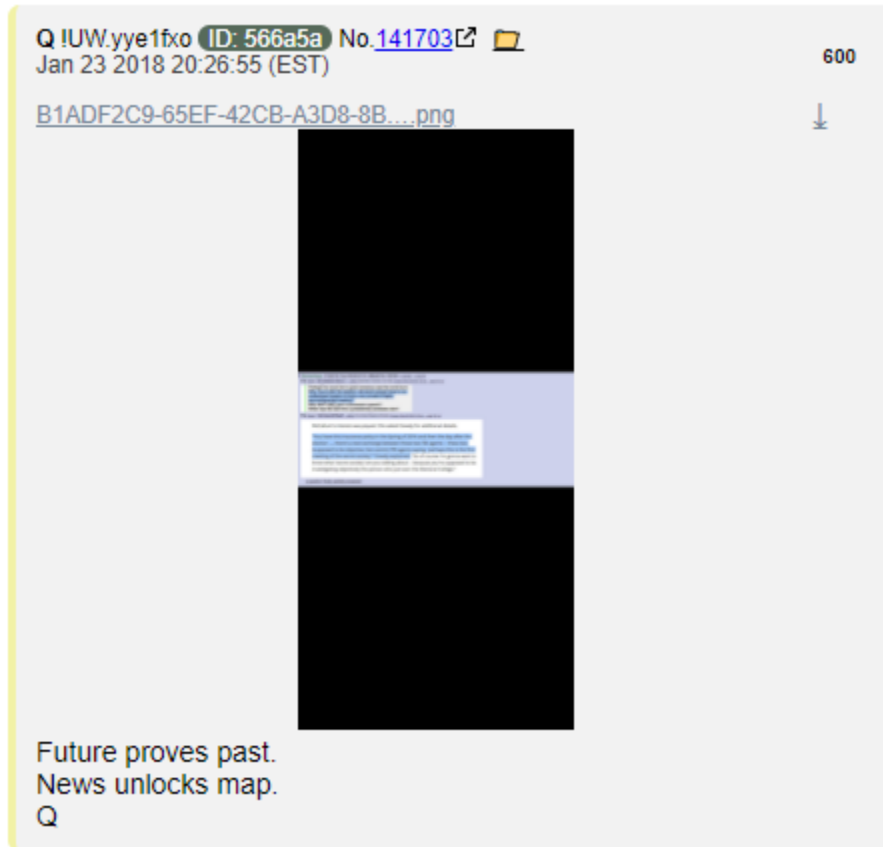

Gowdy said the “secret society” reference occurred the day after Trump won the presidential election in November 2016.

“There’s a text exchange between these two FBI agents, these two supposed to be objective fact-centric FBI agents, saying that perhaps this is the first meeting of the ‘secret society,’” Gowdy said.

“So of course I’m going to want to know what secret society you’re talking about because you’re supposed to be investigating objectively the person who just won the Electoral College; so yeah I’m going to want to know,” he said.

### **MORE THAN 50,000 TEXTS EXCHANGED BETWEEN FBI OFFICIALS STRZOK AND PAGE, SESSIONS SAYS**

It isn’t the first time the messages have raised questions about what may have been going on at the FBI. In one previously released message, Strzok appeared to make reference to an “insurance policy” against a Trump win.

*The picture Q posted was of a post an anon made earlier, making the connection that I pointed out above.*

## *Bomber Strikes Near Times Square, Disrupting City but Killing None*

By [Sarah Maslin Nir](#) and [William K. Rashbaum](#)

Dec. 11, 2017

A would-be suicide attacker detonated a pipe bomb strapped to his body in the heart of Manhattan's busiest subway corridor on Monday, sending thousands of terrified commuters fleeing the smoke-choked passageways, and bringing the heart of Midtown to a standstill as hundreds of police officers converged on Times Square and the surrounding streets.

But the makeshift weapon failed to fully detonate, and the attacker himself was the only one seriously injured in the blast, which unfolded just before 7:20 a.m.

The suspect, Akayed Ullah, 27, was taken to a hospital after suffering burns from the explosive device, which was attached to his body with Velcro and zip ties and did not fully ignite, officials said. Investigators told Reuters they believe the attack in midtown Manhattan was intended to be a suicide bombing.

The blast, which occurred around 7 a.m. (1200 GMT) in a busy underground passageway between the subway station underneath the Port Authority Bus Terminal and the Times Square subway station, sent commuters fleeing for the exits and police officers rushing to the scene, as officials scrambled to reroute trains and shut down streets.

Three people, including a police officer, suffered minor injuries.

## New York bombing suspect identified as Akayed Ullah, a 27-year-old Brooklyn resident from Bangladesh

Alex Lockie and Sonam Sheth Dec. 11, 2017, 9:52 AM

Q posted "**B**lunt & **D**irect **T**ime" the night before the attempted bombing, with the first letter in each word being capitalized. In the same post, he said "Hope the \$7.8mm was worth it," tying together BDT and money (although we did not make the connection until afterward). Right after that, he posted again, saying, "False flag(s)" and "Expect fireworks."

Around 7:20 AM EST, about 8 hours after Q's posts, a man tried to set off a bomb in the NYC subway.

5 hours later, Q posted "Blunt & Direct Time" again, pointing out that he emphasized "BDT" by capitalizing the first letter in all three words. He said to "think currency." BDT, in terms of currency, stands for Bangladeshi Taka, the official currency of Bangladesh. The man who tried to set off the bomb was from Bangladesh.

## Atlanta Airport Fire? Just Smoke From a Drill, Officials Say

Authorities say a routine training exercise at the world's busiest airport in Atlanta produced a plume of heavy, dark smoke rising over the city and visible for miles.

**AP**

ATLANTA (AP) – Authorities say a routine training exercise near the world's busiest airport produced a plume of heavy, dark smoke rising over Atlanta and visible for miles.

Atlanta Fire Rescue Sgt. Cortez Stafford says the smoke late Thursday morning appeared darker than in previous training drills, and said one possibility for that could be the cold weather the city is experiencing.

Airport officials said the planned drill was part of "live burn training" exercises at the Atlanta Fire Training Center near the airport.

What caused the airport to go **dark, 10 days** after this drill? Fire.

Georgia Power believes the outage was **caused by a fire** that led to extensive damage in an underground facility.

Atlanta Mayor Kasim Reed said it took almost two hours to contain the fire. He said because of the strong fumes from the flames, Georgia Power crews could not access the facility immediately.

**Georgia Power said the switch that accesses the back-up power system was also damaged in the fire, causing both systems to go down.**

"The airport has a very redundant, very robust system," a Georgia Power spokeswoman said.

Once the fire was extinguished, Georgia Power crews assessed the damage and began repairs.

**[READ: Passengers frustrated, confused by airport power outage: 'It's crazy in here']**

Power was restored to Concourse F around 7:30 p.m.

Officials said they do not know what caused the fire and it will take time to investigate.

"We have no way of absolutely knowing at this time that our system may have been tampered with in order to create this kind of chaos and confusion," Reed said.

## Summary:

**12/17:** The clock expires: **10** days is up – Massive underground fire causes ATL airport to go **dark (shut down)**

Was the power outage actually caused by a fire, or was that just the cover story for an 11-hour-long power outage at the world’s busiest airport? Who knows.

Q’s post two days after the outage could have been a clue:

However, Q never clarified further, so this is just speculation.

President Trump officially directed the Pentagon to establish a sixth branch of the U.S. military in space on Monday. Speaking at a National Space Council meeting at the White House, Mr. Trump called for a "space force" to ensure American dominance on the high frontier.

The president also signed his administration's third Space Policy Directive, calling for establishment of new protocols and procedures to manage and monitor the increasing numbers of satellites in low-Earth orbit and the tens of thousands of pieces of space junk and debris that pose an increasing threat to costly spacecraft.

The directive follows on the heels of two other major space policy initiatives being implemented by the National Space Council, one calling for returning humans to the moon before eventual missions to Mars and another aimed at streamlining the federal space bureaucracy to reduce red tape and streamline licensing and oversight of [commercial space activity](#).

## **With Tax Reform, AT&T Plans to Increase U.S. Capital Spending \$1 Billion and Provide \$1,000 Special Bonus to more than 200,000 U.S. Employees**

Today, Congress approved legislation representing the first comprehensive tax reform in a generation. The President is expected to sign the bill in the coming days.

Once tax reform is signed into law, AT&T\* plans to invest an additional \$1 billion in the United States in 2018 and pay a special \$1,000 bonus to more than 200,000 AT&T U.S. employees — all union-represented, non-management and front-line managers. If the President signs the bill before Christmas, employees will receive the bonus over the holidays.

## White House: Trump will likely sign tax bill Friday

BY JORDAN FABIAN - 12/21/17 05:10 PM EST

President Trump will likely sign the Republican tax overhaul on Friday, according to a White House official.

"There's a very good chance the president signs it tomorrow," said the official.

The measure was the most extensive rewrite of the tax code in at least a generation and its passage Wednesday marked the first major legislative achievement for Trump and the GOP.

But the question of when Trump would sign the bill into law had remained unanswered.

## President Trump signs tax bill into law

By VERONICA STRACQUALURSI Dec 22, 2017, 11:12 AM ET

President [Donald Trump](#) signed the \$1.5 trillion rewrite of the tax code into law at the White House on Friday capping off a victory lap before leaving to spend the holidays in Mar-a-Lago.

"Everything in here is really tremendous things for businesses, for people, for the middle class, for workers. And I consider this very much a bill for the middle class and a bill for jobs. Corporations are literally going wild over this," Trump said.

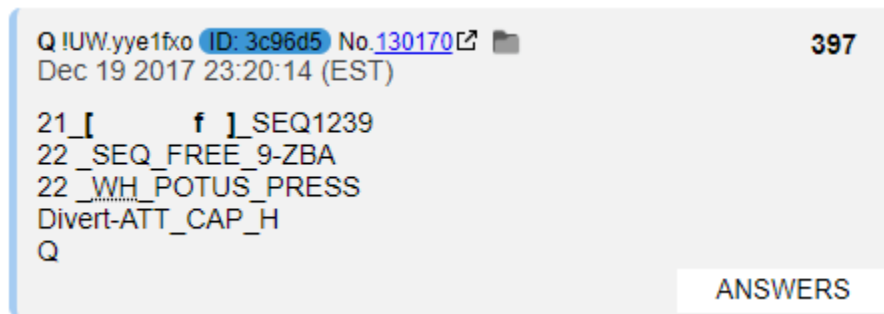

Trump indicated that he was going to wait until after the new year to sign the bill, but when he saw reports on the news speculating about the timing he "immediately called and said let's get it ready."

"I'll sign this today rather than having a big formal ceremony in two weeks when we were going to do it. I didn't want you folks to say I wasn't keeping my promise. I'm keeping my promise," Trumps said. "I'm signing it before Christmas. I said the bill would be on my desk before Christmas. And you are holding me literally to that. We did a rush job today. It's not fancy. But it's the Oval Office."

Calling it the "biggest tax cut, the biggest reform of all time" – a claim fact checkers say **is false** – Trump celebrated the \$1.5 trillion tax cut and applauded corporations like AT&T that **announced employee bonuses because of it.**

It's unclear why WikiLeaks tweeted out a link to the full text of the book, which Trump has dismissed as "a work of fiction" and his aides have called "a pile of garbage." The organization did not immediately respond to a request for comment.

WikiLeaks is promoting a pirated copy of Michael Wolff's *Fire and Fury*, a bestselling book on Donald Trump's first year in office. It deleted that tweet, but [re-posted the link](#) with an added degree of separation, saying that the book had "leak[ed] onto internet." Google has since removed the file in question.

We don't know exactly why WikiLeaks, whose stated specialization is publishing "censored or otherwise restricted" official documents, shared the text of a widely available published work. The White House has condemned *Fire and Fury* for its unflattering portrayal of Trump, and [one theory](#) holds that WikiLeaks is [trying to sabotage](#) the book's commercial success, particularly [since it sought](#) the Trump campaign's approval in 2016. WikiLeaks [derided this explanation](#) online, saying that "[WikiLeaks] reports on leaks. Hint: It's in the name." (That said, pirated book copies aren't usually called "leaks.") The organization did not immediately reply to a Twitter message requesting comment.

## *Hawaii Panics After Alert About Incoming Missile Is Sent in Error*

EMERGENCY ALERTS

### **Emergency Alert**

BALLISTIC MISSILE THREAT INBOUND TO HAWAII. SEEK IMMEDIATE SHELTER. THIS IS NOT A DRILL.

Settings

An image of the alert sent to cellphones on Saturday morning.

By [Adam Nagourney](#), [David E. Sanger](#) and [Johanna Barr](#)

Jan. 13, 2018

An early-morning emergency alert mistakenly warning of an incoming ballistic missile attack was dispatched to cellphones across Hawaii on Saturday, setting off widespread panic in a state that was already on edge because of escalating tensions between the United States and North Korea.

The alert, sent by the Hawaii Emergency Management Agency, was revoked 38 minutes after it was issued, prompting confusion over why it was released — and why it took so long to rescind. State officials and residents of a normally tranquil part of the Pacific, as well as tourists swept up in the panic, immediately expressed outrage.

Officials said the alert was the result of human error and not the work of hackers or a foreign government. The mistake occurred during a shift-change drill that takes place three times a day at the emergency command post, according to Richard Rapoza, a spokesman for the agency.

“Someone clicked the wrong thing on the computer,” he said.

At no time, officials said, was there any indication that a nuclear attack had been launched on the United States. The Federal Communications Commission announced that it had begun “a full investigation into the FALSE missile alert in Hawaii.”

## As government shutdown deadline threatens, Congress looks no closer to a deal

- Senate negotiators remained at an impasse with only hours to spare before the government shutdown deadline.
- Chuck Schumer went to the White House to negotiate a possible deal to avoid a government shutdown with President Donald Trump, but no agreement emerged.
- A House-passed bill to fund the government appeared doomed if the Senate took it up later Friday.
- Democrats have opposed a short-term spending bill as frustrations mounted with progress on talks toward a bipartisan immigration deal.

## "Flood Is Coming": New Comey-McCabe Emails Suggest CNN And FBI Coordination Over Steele Dossier

by Tyler Durden

Hours before Comey briefed Trump, FBI chief of staff James Rybicki e-mailed staff that Comey “is coming into HQ briefly now for an update from the sensitive matter team.” Just as the same officials dubbed the Clinton e-mail investigation the “mid-year exam” and the anti-Trump counterintelligence investigation “Crossfire Hurricane,” they also used various phrases using “sensitive” to refer obliquely to the dossier.

Two days after the briefing, on January 8, 2017, former FBI deputy director Andrew McCabe, who earlier this year was fired and then referred for criminal prosecution by the DOJ inspector general for repeatedly lying about media leaks, wrote an e-mail to top FBI officials with the subject, “Flood is coming.”

The Honorable Christopher Wray  
May 21, 2018  
Page 2

- **January 8, 2017, 12:08 p.m.** Then-FBI Deputy Director Andrew McCabe sent an email to senior FBI leadership with the subject line “Flood is coming.”<sup>7</sup> Mr. McCabe wrote, “CNN is close to going forward with the *sensitive story*. . . . The trigger for them [CNN] is they know the material was discussed in the brief and presented in an attachment.”<sup>8</sup>
- **January 8, 2017, 12:55 p.m.** Mr. McCabe emailed then-Deputy Attorney General Sally Yates and then-Principal Deputy Attorney General Matthew Axelrod with the subject line “News.”<sup>9</sup> Mr. McCabe wrote, “Just an FYI, and as expected, it seems CNN is close to running a story about the *sensitive reporting*.”<sup>10</sup>

I ran a Google search and I couldn't find this term being used anywhere (relating to McCabe or these emails) until these new emails came out on 5/21/2018. “Nothing is ever truly deleted” – they have it all.

Barlow was sometimes held up as a straw man for a kind of naive techno-utopianism that believed that the Internet could solve all of humanity's problems without causing any more. As someone who spent the past 27 years working with him at EFF, I can say that nothing could be further from the truth. Barlow knew that new technology could create and empower evil as much as it could create and empower good. He made a conscious decision to focus on the latter: "I knew it's also true that a good way to invent the future is to predict it. So I predicted Utopia, hoping to give Liberty a running start before the laws of Moore and Metcalfe delivered up what Ed Snowden now correctly calls 'turn-key totalitarianism.'"

Barlow's lasting legacy is that he devoted his life to making the Internet into "a world that all may enter without privilege or prejudice accorded by race, economic power, military force, or station of birth . . . a world where anyone, anywhere may express his or her beliefs, no matter how singular, without fear of being coerced into silence or conformity."

In the days and weeks to come, we will be talking and writing more about what an extraordinary role Barlow played for the Internet and the world. And as always, we will continue the work to fulfill his dream.

## 187 (slang)

From Wikipedia, the free encyclopedia

Section 187 (often referenced in slang simply as 187) of the California Penal Code defines the crime of murder. The number is commonly pronounced by reading the digits separately as "one-eight-seven", or "one-eighty-seven", rather than "one hundred eighty-seven."

The number "187" has been used by gangs throughout the United States as a synonym for murder; this usage has been reported as far away as Florida,<sup>[1]</sup> Wisconsin,<sup>[2]</sup> and even the United Kingdom<sup>[3]</sup> and Germany.<sup>[4]</sup>

Feb. 11, 2018

ISLAMABAD, Pakistan — Asma Jahangir, a leading Pakistani rights activist, fearless critic of the military's interference in politics and a staunch defender of the rule of law, died on Sunday in Lahore. She was 66.

The death was confirmed by her daughter Munizae Jahangir, who said the cause was a heart attack.

Ms. Jahangir, a human rights lawyer, had a reputation for [speaking truth to power](#) and defending the weak and the marginalized and women and minorities against injustice. She [gained international acclaim](#) for being the conscience of a country where liberal, secular voices have continuously been under threat.

Interestingly, The New York Times said that her daughter confirmed she died of a heart attack ([Pakistani The Sindh Times agreed](#)), while the sources Wikipedia used said officials at the hospital confirmed that the cause of death was a brain hemorrhage (from a stroke).

Officials at the private hospital where Jahangir passed away said she was brought to the hospital unconscious after suffering brain hemorrhage resulting from a stroke.

They added that despite several attempts to bring her blood pressure back to normal, she passed away in a state of unconsciousness.

## Man commits suicide in front of White House Saturday

By: **Justin Thompson-Gee** [Facebook](#) | [Twitter](#)

Posted: Mar 3, 2018 11:30 AM CDT

WASHINGTON – A man committed suicide in front of the White House on Saturday after he pulled out a concealed handgun, authorities said. No one but the shooter was injured.

The U.S. Secret Service said that medical personnel were called to respond to the male victim, but he was declared dead at the scene.

The Metropolitan Police Department, who are leading the investigation into the shooting with the support of the Secret Service, identified the shooter on Sunday as Cameron Ross Burgess, 26, of Maylene, Alabama. The police department did not disclose any potential motives for the suicide.

"The subject approached the vicinity of the North White House fence line and removed a concealed handgun and fired several rounds, none of which appear at this time to have been directed towards the White House," the Secret Service said in a statement shortly after the incident on Saturday.

A demonstration was made today in front of the WH.  
It showed they can control 'innocents'.  
It was a direct THREAT.  
This is not a game.  
The MSM is creating emotional conflict.  
This destabilizes certain minds to become susceptible to outside control.

Q

*This specific suicide was probably not something they knew was going to happen three weeks in advance, but rather it was a message ("a direct THREAT") sent from bad actors directly to them in the White House.*

# Driver of van slated to be in Trump motorcade detained for having gun

Reuters Staff

2 MIN READ

PALM BEACH, Fla. (Reuters) - The driver of a van carrying journalists covering President Donald Trump was detained on Monday after Secret Service officials found a gun in his bag during a security sweep before the vehicle was to drive onto the president's Florida property.

The Secret Service said no one had been put in danger.

The male driver told reporters he had forgotten to leave his personal firearm in another vehicle.

He and the other drivers of three media vans were replaced before the vehicles drove on to Trump's Mar-a-Lago compound, where the vans joined the president's motorcade.

"The individual was found to be in lawful possession of a prohibited item (firearm) outside the secure area at a Secret Service security screening checkpoint," the Secret Service said in a statement.

The man could be seen being questioned as journalists were driven away from the area where the security sweeps had taken place.

# U.S. imposes more North Korea sanctions, Trump warns of 'phase two'

Steve Holland, Christine Kim

8 MIN READ

WASHINGTON/SEOUL (Reuters) - The United States said on Friday it was imposing its largest package of sanctions to pressure North Korea to give up its nuclear and missile programs, and President Donald Trump warned of a “phase two” that could be “very, very unfortunate for the world” if the steps did not work.

“If the sanctions don’t work, we’ll have to go phase two,” Trump said. “Phase two may be a very rough thing, may be very, very unfortunate for the world. But hopefully the sanctions will work.”

## CPAC 2018

### Trump gives a speech:

*“And, by the way, we’re having tremendous plans coming out now, health care plans, at a fraction of the cost that are much better than Obamacare. And except for one senator, who came into a room at 3:00 in the morning, and went like that [thumbs down], we would have had health care, too. We would have had health care too. Think of that.*

*But I think we may be better off the way we’re doing it. Piece by piece by piece, Obamacare is just being wiped out. The individual mandate essentially wipes it out. I think we may be better off. And people are getting great health care plans and we’re not finished yet. But, remember, one person walked into a room, when he was supposed to go this way [thumbs up], and he said he was going this way [thumbs up], and he walked in and he went this way [thumbs down] and everyone said, what happened? What was that all about? Boy, oh, boy, who was that? I don’t know. I don’t know. I don’t know. I don’t want to be controversial, so I **won’t use his name**. Okay. What a mess.”*

[Transcript](#)

[Video](#)

This was not the only time he did this; pretty much every time he gives a rally speech, he refers to him without ever saying his name.

## A few more examples:

**4/28/2018:** *"That was so unconstitutional, but that was the worst part of Obamacare. We got rid of that and you see what's going on, and we're really producing -- and except for one vote. Remember the one vote? Three o'clock in the morning thumbs down. What a vote that was. What a vote that was. That was some vote."*

**6/20/2018:** *"Because we had a gentleman, late into the morning hours, go thumbs down. That was not a good thing he did. That was not a good thing for our people, for our country, whether you're a Democrat or Republican. And everybody said, "Oh, good. We have his vote. We have everybody's vote." We were going in for a routine repeal and replace, and he went thumbs down. Not nice. That was not nice."*

**6/23/2018:** *"It was done until early in the morning. A man walked in and he said, "Thumbs down, thumbs down." That was not good and nobody knew he was going to do that. He campaigned on repeal and replace. He campaigned for years. "Repeal and replace. Repeal and replace." Nobody talked to him."*

**6/27/2018:** *"Heidi voted no on the Obamacare repeal. And, by the way, it was done. It was done. Unfortunately, she wouldn't vote. And another person didn't vote. We had it done."  
"Another person campaigned for eight years. "Repeal and replace." And we were a little surprised when the thumb went down. But we're doing very well."*

**7/5/2018:** *"Jon Tester voted no on repealing Obamacare. And even though we got a little surprise vote that evening, you all remember that evening somebody came in with a thumbs down after campaigning for years that he was going to repeal and replace."*

**7/31/2018:** *"In fact, it was gone until one gentleman decided at 2:00 in the morning ... [Booing] Remember?"*

Another example:

Wednesday, August 1<sup>st</sup>, 2018

Trump calls into Rush Limbaugh's show to congratulate him on 30 years of broadcasting.

**RUSH:** So I have this note on the call screener computer: "On the hotline..." We don't have a hotline. "On the hotline, you're receiving a phone call in recognition of your anniversary broadcast. You'll want to take this immediately." Okay. So we're going to the phones and we have a special guest. Who is it?

**THE PRESIDENT:** So, Rush, I just wanted to congratulate you on 30 years.

**RUSH:** (laughing)

**THE PRESIDENT:** This is your favorite president, and I think you are fantastic.

**RUSH:** (laughing)

**THE PRESIDENT:** I heard about it, and today's the big day, 30 years. I wanted to call personally and congratulate you.

...

**RUSH:** People don't understand your voters rally to you for that.

**THE PRESIDENT:** We had Obamacare repealed and replaced, and a man — **I won't mention his name.** But a man at 2 o'clock in the morning went thumbs down, and he campaigned for years on repeal and replace. We had the chance. Nobody even spoke to him about it, because it was something that was unthinkable what he did, and because of that... But still, I have just about ended Obamacare. We have great health care. We have a lot of great things happening right now. New programs are coming out.

WASHINGTON — All week long, Senate Democrats had quietly groused that Senator John McCain made a stirring return to the Senate after a brain cancer diagnosis, that he preached the virtues of bipartisanship — and that he then backed a Republican-only push to replace the Affordable Care Act.

But early Friday morning, Mr. McCain, showing little sign of his grave illness, strode onto the Senate floor as the [vote was being taken to repeal it](#), and shocked many of his colleagues and the nation. He sought recognition from the vote counters, turned his thumb down, and said “no.” There were gasps and some applause.

He had just derailed the fevered Republican effort to undo the Obama-era health care law.

*Trump's tweet had a bunch of spaces between the message of the tweet and the "MAGA." He hasn't been known to do this. It's especially strange after Q made a post with a bunch of spaces within brackets 13 hours before. Let's break this down a little further.*

Let's count the total number of spaces from the beginning of the tweet to the end of the 18-space segment.

Earlier that day, at the White House, Trump hosted some of the survivors of the Parkland, FL, shooting that occurred a week before. He held a note card in his hand, which was caught by cameras (and ridiculed by MSM, especially for number 5).

# Meaning of 5:5

## Details

The term has its origins in the [Q code](#) used for commercial radiotelegraph communication, and later adopted by other radio services, especially amateur radio. The first number is the answer to the question "How do you receive me?" (Q code QRK), typically answered with "I am receiving (1–5)" where 1 is unreadable and 5 is perfect. The second number is the answer to the question "What is the strength of my signals?" (Q code QSA), typically answered with "The strength of your signals is ... (1 to 5)". "5 by 5" was the answer to the QRK/QSA questions to indicate the best quality signal. "5 by 5" being the best quality was applied to other things by analogy.

The U.S. Army Radio Operator's Manual, FM 24-6 (1945 version) defines the report format as follows:

Report	Readability	Signal Strength
1	Unreadable	Scarcely perceptible.
2	Readable now and then	Weak.
3	Readable but with difficulty	Fairly good.
4	Readable	Good.
5	Perfectly readable	Very good.

The modern equivalent of that manual is ACP131(F),<sup>[3]</sup> which includes these entries:

Signal	Question	Answer, Advice, or Order
QRK	What is the intelligibility of my signals (or those of...)?	The intelligibility of your signals (or those of...) is... 1. bad. 2. poor. 3. fair. 4. good. 5. excellent.
QSA	What is the strength of my signals (or those of...)?	The strength of your signals (or those of...) is... 1. scarcely perceptible. 2. weak. 3. fairly good. 4. good. 5. very good.

"Five by five" (occasionally written "5 by 5", "five-by-five", "5 × 5", "5-by-5" or even just "Fives"), by extension, has come to mean "I understand you perfectly" in situations other than radio communication. Further shortened forms are "five by", "fivers" and "fifers". Post-World War II, the phrase "loud and clear" entered common usage with a similar meaning.

[SIG\_5:5\_READ] – SIG = signal

This was the reason he wrote "I hear you." He hears us, loud and clear.

Trump signed the steel and aluminum tariffs and gave a speech about them.

In the speech, he said, "really, the first year, we've really **set the stage**" – at the exact moment he said that, he made a big Q in the air with his hand. If you watch him closely you can even see that doing it kind of distracted him, since it was so out of place.

## HOUSE INTEL RUSSIA REPORT: FBI AGENTS 'DID NOT DETECT ANY DECEPTION DURING FLYNN'S INTERVIEW'

The House Permanent Select Committee on Intelligence released its report on the findings of the Russia investigation Friday, which showed that FBI agents “did not detect any deception during [Former National Security Advisor Michael] Flynn’s interview.”

Flynn, President Trump’s first national security advisor, **pleaded guilty in December 2017** to “willfully and knowingly” making false statements to the FBI during interviews on meetings he took with Russian Ambassador to the United States Sergei Kislyak. The report specifically highlights that Flynn pleaded guilty despite bureau agents determining that there was no “deception” in his interview.

WASHINGTON — The White House said Tuesday night that President Trump planned to deploy the National Guard to the southern border to confront what it called a growing threat of illegal immigrants, drugs and crime from Central America after the president for the third consecutive day warned about the looming dangers of unchecked immigration.

Mr. Trump's advisers said Monday that he was readying new legislation to block migrants and asylum seekers, including young unaccompanied children, from entering the United States, opening a new front in the immigration crackdown that he has pressed since taking office. **But in remarks on Tuesday that caught some of his top advisers by surprise, he suggested the more drastic approach of sending in the military to do what immigration authorities could not.**

## China's president offers U.S. possible trade concessions

By **Joe McDonald and Gillian Wong**

APRIL 10, 2018, 7:31 AM | BEIJING

**P**resident Xi Jinping set the stage Tuesday for a possible effort to resolve a worsening clash with Washington over technology and trade by promising to cut auto import taxes, improve intellectual property protection and boost imports.

Xi, the country's most dominant leader since at least the 1980s, said Beijing will "significantly lower" tariffs on auto imports this year and ease restrictions on foreign ownership in the auto industry "as soon as possible."

## Dozens Suffocate in Syria as Government Is Accused of Chemical Attack

By BEN HUBBARD APRIL 8, 2018

BEIRUT, Lebanon — Dozens of Syrians choked to death after a suspected chemical attack struck the rebel-held suburb of Douma, east of Damascus, with aid groups on Sunday blaming President Bashar al-Assad's government for the assault and [Western governments expressing outrage](#).

Rescue workers in Syria reported finding at least 42 people dead in their homes from apparent suffocation, and antigovernment activists circulated videos of lifeless men, women and children sprawled out on floors and in stairwells, many with white foam coming from their mouths and nostrils.

A stream of patients with burning eyes and breathing problems were rushed to clinics after the attack at dusk on Saturday, medical and rescue groups said.

## Interview with Vladimir Putin

**Vladimir Putin:** You just said there is proof accepted by everyone that al-Assad used chemical weapons. Well, not by everyone. Our experts tell it differently. For example, the case that was the reason for missile strikes against Syria after the alleged chemical attack in the city of Douma.

Look. The Syrian troops liberated that area. We immediately suggested to our partners that the OPCW commission go there, it is a UN unit, the Organisation for the Prohibition of Chemical Weapons. They headed for Syria, and reached a neighbouring country, Lebanon I think. But, instead of waiting one or two days and allowing the commission to work on the site, a missile attack was made on Syria.

Tell me, please: is this the best way to ensure the objectivity of what happened there? I do not think so. I think it was an attempt to create conditions that would make it impossible to investigate thoroughly. That is what it was.

After that, we found people there who admitted to having participated in staging the chemical attack. If you did not see it, it would be very useful for objectivity, so that your viewers could have their own opinion on this matter.

'THE US MISSION HAS NOT CHANGED'

## White House insists Trump still planning to pull US troops out of Syria

Statement comes after French President Macron says he convinced his US counterpart to stay engaged in Syria 'for the long term'

The White House said Sunday that US President Donald Trump still wants American troops to exit Syria as soon as possible, after the French president said he persuaded Trump to stay in Syria and launch airstrikes as punishment for an alleged chemical-weapons attack.

“The US mission has not changed — the President has been clear that he wants US forces to come home as quickly as possible,” White House spokeswoman Sarah Huckabee Sanders said in a statement.

# White House is prepping an effort to undermine Rosenstein

By Sara Murray, Kevin Liptak and Pamela Brown, CNN

Updated 8:32 PM ET, Thu April 12, 2018

**Washington (CNN)** — The White House is preparing talking points designed to undermine Deputy Attorney General Rod Rosenstein's credibility, according to sources familiar with the plan.

The plan calls on [President Donald Trump's allies to cast Rosenstein](#) as too conflicted to fairly oversee the Russia investigation.

The talking points are still in their preliminary form, and not yet finalized, people familiar with their preparation said.

# Deputy AG Rod Rosenstein tells confidants he is prepared to be fired

Under fire, the deputy attorney general has invoked a Martin Luther quote to say he stands by his actions.

by Julia Ainsley / Apr. 13, 2018 / 12:33 PM ET / Updated Apr. 13, 2018 / 12:45 PM ET

WASHINGTON – Deputy Attorney General [Rod Rosenstein](#) has struck a stoic and righteous tone in private conversations he has had this week about the fate of his job as President Donald Trump has launched public criticism against him and considered firing him, according to three sources who have spoken to Rosenstein.

Expect President Trump to fire Deputy Attorney General Rod Rosenstein in the next few days. Maybe he won't do it. Maybe he'll change his mind. But Trump is apparently livid at Rosenstein and both [The Washington Post](#) and [CNN](#) have reported that he is actively contemplating Rosenstein's removal. Trump urged people on Twitter last night to watch Sean Hannity, who in turn invited on his show a guest who egged the president on in firing his deputy attorney general. The air in Washington right now is thick with Rosenstein's imminent removal.

## ***Southwest Airlines Engine Explodes in Flight, Killing a Passenger***

By [Liam Stack](#) and [Matt Stevens](#)

April 17, 2018

One person was killed and seven others sustained minor injuries on a Southwest Airlines flight from New York to Dallas when an engine exploded in midair on Tuesday, shattering a window that passengers said partially sucked a woman out of the aircraft.

The explosion, which happened about 20 minutes into the flight, prompted a desperate effort among flight attendants and passengers to save the woman, identified as Jennifer Riordan, a Wells Fargo executive from Albuquerque. After the plane landed, Ms. Riordan was taken to a hospital, where she was pronounced dead.

Anons were confused by this, because they figured out that there is an instrument called “qanun” that is used in that area of the world, so they assumed Armenia was so high on the list because of people searching “qanon,” when they were looking for “qanun.” Qanon is the correct way to spell it in at least one language.

## Qanun (instrument)

From Wikipedia, the free encyclopedia

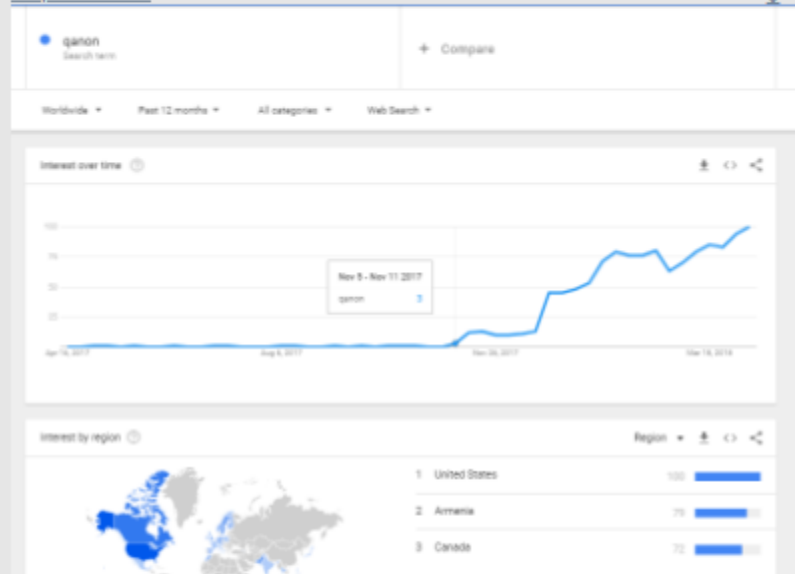

The **kanun**, **ganoun** or **kanoon** (Arabic: قانون, *translit.* *qānūn*; Greek: κανονάκι, *translit.* *kanonaki*; Hebrew: קָנוֹן, *qanon*; Persian: قَانُون, *qānūn*; Turkish: *kanun*; Armenian: քալուն, *translit.* *k'anon*; Azerbaijani: *qanun*; Uyghur: قانۇن, ULY: *qalon*) is a string instrument played either solo, or more often as part of an ensemble, in much of the Middle East, Maghreb, West Africa, Central Asia, and southeastern regions of Europe. The name derives from the Arabic word *qanun*, meaning "rule, law, norm, principle", which is borrowed from the ancient Greek word and musical instrument *κανών* (rule), which in Latin was called *canon* (not to be confused with the European polyphonic musical style and composition technique known by the same name). ## Shock as Armenia's prime minister steps down after 11 days of protests

**'You were right; I was wrong' - Serzh Sargsyan releases detained opposition leader and resigns**

CBS/AP | April 23, 2018, 1:05 PM

## "I was wrong": Armenian leader Serzh Sargsyan resigns unexpectedly

**YEREVAN, Armenia** -- Armenian Prime Minister Serzh Sargsyan resigned unexpectedly Monday to quell massive anti-government protests over what critics feared was his effort to seize power for life. Residents of the capital, Yerevan, poured out on the streets to celebrate his stunning departure. People hugged and kissed each other, and motorists honked their horns.

Protest leader "Nikol Pashinian was right. I was wrong," Sargsyan, a former Armenian president, said in a surprise announcement on his website. "The movement on the streets is against my rule. I'm complying with their demands."

YEREVAN -- The resignation of Armenia's longtime ruler Serzh Sarkisian in the face of widespread street protests has triggered an outpouring of celebration across the country.

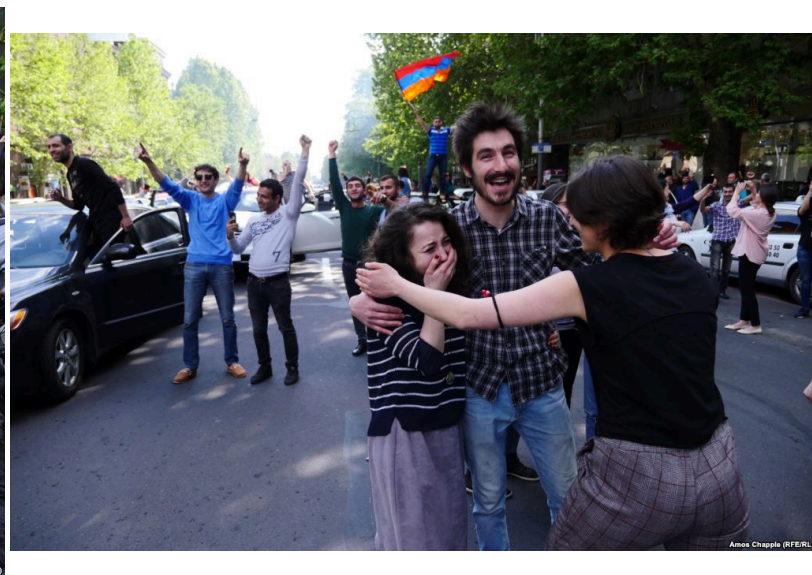

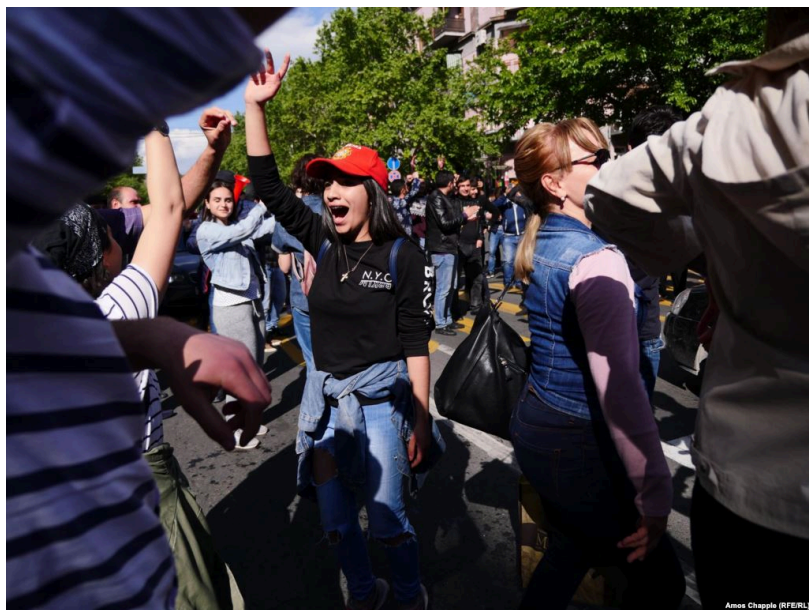

"Dear proud citizens of the Republic of Armenia, you have won!" protest leader Nikol Pashinian told a cheering crowd of thousands gathered on Republic Square on April 23.

He said there were no foreign countries involved in the protest movement and called it a "purely Armenian velvet revolution."

# Armenians Dance In The Streets At Sarkisian's Exit

A huge impromptu street party broke out on Mashtots, Yerevan's main avenue, after Prime Minister Serzh Sarkisian announced his resignation on April 23 after days of protests.

"Thousands of people are on the streets, cheering and hugging each other, jumping up and down and honking their horns ... things happened so quickly, I don't think the crowd was expecting this but it is exactly what they wanted," Forestier-Walker said.

"We saw soldiers take to the streets, we saw priests, children and their parents, young and old coming out to show Armenia was really united in wanting these changes."

"This is an indication of how much people in Armenia have realised that they had the power to affect change in a system that was widely regarded as corrupt."

Aaron is the brother of Seth Rich, the DNC operative who was murdered mysteriously in the summer of 2016. There have been no leads to the murder of Seth Rich. Aaron Rich is **suing conservative activists and media outlets** for allegedly spreading conspiracy theories about the slain staffer.

On Friday Twitter sent out letters to several conservatives and media outlets including Wikileaks informing the account owners that the attorneys for Aaron Rich are seeking information from the private accounts.

## BREAKING: James Comey Personally KILLED Immunity Deal with Julian Assange – Who Could Have Revealed Source of Leaked Emails

by Jim Hoff June 25, 2018 73 Comments

f 429 Share

🐦 Tweet

✉ Email

Dirty Cop James Comey KILLED immunity deal with Julian Assange.

Assange could have proved where the leaked Wikileaks email came from.

Julian Assange has **repeatedly said** his source for the Podesta emails WAS NOT the Russian government.

Just a few days after the negotiations opened in mid-February, Waldman reached out to Sen. Warner; the lawyer wanted to see if Senate Intelligence Committee staff wanted any contact with Assange, to ask about Russia or other issues.

Warner engaged with Waldman over encrypted text messages, then reached out to Comey. A few days later, Warner contacted Waldman with an unexpected plea.

“He told me he had just talked with Comey and that, while the government was appreciative of my efforts, my instructions were to stand down, to end the discussions with Assange,” Waldman told me. Waldman offered contemporaneous documents to show he memorialized Warner’s exact words.

Waldman couldn’t believe a U.S. senator and the FBI chief were sending a different signal, so he went back to Laufman, who assured him the negotiations were still on. “What Laufman said to me after he heard I was told to ‘stand down’ by Warner and Comey was, ‘That’s bullshit. You are not standing down and neither am I,’” Waldman recalled.

A source familiar with Warner’s interactions says the senator’s contact on the Assange matter was limited and was shared with Senate Intelligence chairman Sen. [Richard Burr](#) (R-N.C.). But the source acknowledges that Warner consulted Comey and passed along the “stand down” instructions to Waldman: “That did happen.”

Multiple sources tell me the FBI’s counterintelligence team was aware and engaged in the Justice Department’s strategy but could not explain what motivated Comey to send a different message around the negotiations through Warner. A lawyer for Comey did not immediately return calls seeking comment.

“The constructive, principled discussions with DOJ that occurred over nearly two months were complicated by the confusing ‘stand down’ message,” Waldman recalled.

On April 7, 2017, Assange released documents with the specifics of some of the CIA malware used for cyber attacks. It had immediate impact: A furious U.S. government backed out of the negotiations, and then-CIA Director Mike Pompeo slammed WikiLeaks as a “hostile intelligence service.”

Soon, the rare opportunity to engage Assange in a dialogue over redactions, a more responsible way to release information, and how the infamous DNC hacks occurred was lost — likely forever.

*Debbie Wasserman Schultz is the name she normally goes by; however, there are a few articles where she's called Wendy instead.*

## Florida Child Custody and Rape

Florida law allows a man who fathered a child through rape to obtain custody or visitation with that child. But a bill introduced to the United States House of Representative by Florida Representative Wendy Wasserman Schultz seeks to permanently change that.

In a phone conversation this past Friday Whitnum told Orban that she would be attending the event. "I thought it was settled." Whitnum was sitting quietly with the other candidates when Orban demanded Whitnum get off the stage. "How dare she," said Whitnum.

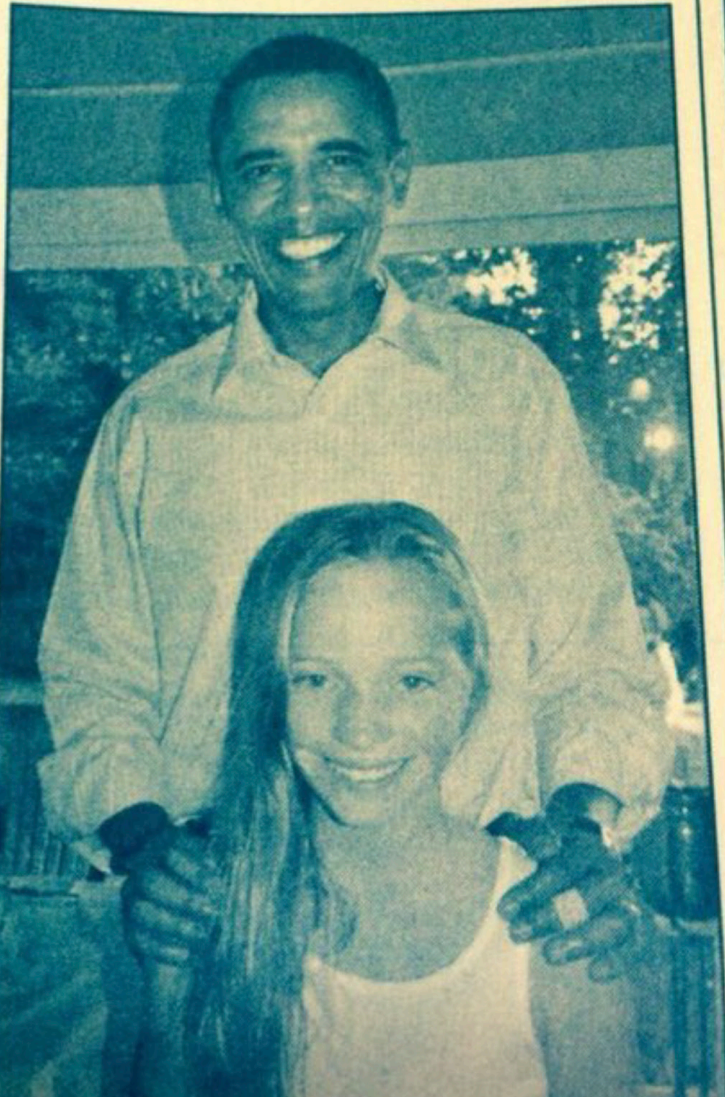

Whitnum refused and replied. "You are Wasserman-Schultzing me." Whitnum was referring to Wendy Wasserman Schultz, the Democratic chair who was asked to step down in 2016 because she gave preferential treatment to Hillary Clinton over Bernie Sanders.

Trump does things like this often to bring attention to a specific person or situation – in this case it was Debbie Wasserman Schultz. #WendyWassermanSchultz was trending on Twitter after this, putting a lot of eyes on her.

A few hours later

on Sunday morning the presidential  
vacation came to an end.

Hii!!!

**\$4,830** of \$7,000 goal

Raised by 13 people in 26 months

My name is Maggie and I'm 17 years old currently spending my days in an intensive outpatient program for severe depression, self harm, and many other personal issues. This program lasts for 6 months and I am scheduled to graduate in June as well! Balancing getting my credits to graduate high school and working through my struggles has proven to be incredibly difficult, but I'm trying! Once I am done with the program I will not be attending college right away. My dream is to travel, help people, work on my music and as cliché as it sounds... find myself. I hope that this doesn't come across as me using my mental illness to my advantage to get a chance to relax on the beach and eat Thai food! Honestly, I need this to complete my therapeutic journey. By helping people, I believe I will be able to help myself in a new way. I have always been incredibly active in community service and helping the less fortunate, and I really would love the opportunity to be able to do that in another part of the world, one where I believe I will grow and thrive as well. The reason that I'm asking for \$7,000 is 20% to pay for airfare, living space, and food... but 80% of the money will be put towards the communities I will be travelling (by bus and boat) through. My goal here is to better myself while I better other people, and I wish it didn't have to revolve around money... But I really need YOUR help to make this dream a reality. Every dollar helps, and I hope that you can help me get to Thailand and change peoples lives while I change mine. Thank you so much, this would mean the absolute world to me. I am hoping to leave in June after I get released from my program and graduate!! This opportunity would mean the absolute world to me and I hope you can join me on my journey to recovery and service. All the love in the world, Mags xo

## Senator Chuck Grassley Drops Atomic Sledgehammer on FBI – Requests FBI Reports and Testimony From Special Agent Joe Pientka...

Posted on [May 11, 2018](#) by [sundance](#)

Senate Judiciary Chairman Chuck Grassley has just dropped a sunlight grenade into the prosecution of Michael Flynn with a jaw-dropping request letter ([full pdf below](#)) to FBI Director Christopher Wray. [[Judiciary Link Here](#)]

Within the letter Chairman Grassley outlines a prior briefing from fired FBI Director James Comey to the Senate Judiciary Committee, and contrasts the false presentations of Comey -regarding Michael Flynn- against recently known evidence.

Additionally, Grassley is requesting: ♦the transcription of the phone call(s) intercepted by the FBI between Flynn and Russian Ambassador Kislyak; ♦the FD 302's written by the FBI in their interview with Michael Flynn; ♦and testimony from **Special Agent Joe Pientka**, likely the second FBI agent who was partnered with Peter Strzok for the Flynn interview.

The name of the second FBI agent was previously unknown, and it's likely Chairman Grassley outed the name *for a very specific reason*. This is a **BIG** shot across the bow.

Previously the Justice Department was refusing to provide any information to the committee pertinent to Grassley's requests, citing the *ongoing investigation*. However, the Senator is now outlining his request against the backdrop of the Judge in the Flynn case demanding the Special Counsel turn over all exculpatory information.

It is important to remember – there is a widely held belief that Deputy FBI Director Andrew McCabe told the FBI agents (Strzok and Pientka) to shape their FBI reports of the interview (FD-302's) to assist a “Flynn lied” narrative.

We unveiled this Cubist-inspired design alongside the delivery of our first **A321** to reflect the many incredible facets of our fleet.

JetBlue Airways (New York) plans to debut the latest tailfin design to join the company's line-up, Prism. Prism will be featured exclusively on the airline's Airbus A321 aircraft.

# JetBlue Airbus A321

The first picture is of a JetBlue Airbus A321. The second picture is probably the same plane, just zoomed out to show the surrounding area more.

Because the second picture gives a better view of the surrounding environment, we can try to figure out where its located. Normally, when Q posts images like these, we find the exact location; however, in this case, we did not. Most anons agreed, though, that this was taken in the Bay Area, CA, potentially approaching or leaving the San Jose airport (SJC) or the San Francisco airport (SFO).

# **Terrified passengers hold their hands up as armed police storm a JetBlue plane after a wrong code was used over the radio which mistakenly said the plane was being HIJACKED**

- A JetBlue pilot accidentally told air traffic control that his plane had been hijacked on Tuesday, sparking a massive police presence
- Dozens of Port Authority police surround a JetBlue flight at JFK airport on Tuesday evening preventing the aircraft from getting near the terminal
- Department of Homeland Security and the FBI were said to be on the scene
- The FAA released a statement saying the aircraft 'experienced a radio equipment problem while taxiing for departure at John F. Kennedy International Airport'
- It was later determined that the aircraft experienced a broken radio and the pilots stopped communicating with air traffic controllers

It's high time for transparency. The DOJ and FBI have continually and repeatedly thwarted congressional oversight. We're asking [@realDonaldTrump](#) to direct the Attorney General to give us the documents—because the American people deserve answers.

The Honorable Donald J. Trump  
President of the United States  
1600 Pennsylvania Avenue  
Washington, D.C. 20500

Dear Mr. President:

We write to request that you exercise your authority as President of the United States to instruct Attorney General Jeff Sessions to immediately produce all documents requested by Congress relating to our investigation of certain prosecutorial and investigative decisions made by the Department of Justice and FBI in 2016 and 2017.

In May 2017, Deputy Attorney General Rod Rosenstein informed Congress that the Special Counsel's investigation should not impede ongoing Congressional investigations.<sup>1</sup> Additionally, Mr. Rosenstein requested that Congressional efforts coordinate with the Department of Justice.<sup>2</sup>

In the year that has passed since these commitments were made, the Department of Justice has failed to fully comply with regular and repeated Congressional requests and subpoenas. Our power as Congress to conduct investigations is broad, inherent and mandated by the Constitution.<sup>3</sup> As a separate and equal branch of government, we have a constitutional right to these documents.

To complete our independent oversight and investigative duties, we must obtain all documents responsive to previous requests by Congress. This includes the documents related to potential abuses of the Foreign Intelligence Surveillance Act; documents related to the FBI and broader Department of Justice's initial investigation into the Trump campaign prior to the appointment of the Special Counsel; and the unredacted August 2017 memo written by Deputy Attorney General Rosenstein that articulated the scope of the Special Counsel's jurisdiction.

The Department of Justice has obstructed Congressional oversight by refusing to supply necessary and relevant documents. As members of the legislative branch, we believe the best course of action would be for you to exercise the powers vested in the Executive to make the documents we require available to Congress.

Thank you for your attention to this matter.

Sincerely,

## Live stream: Trump speaks at National Peace Officers' Memorial Service

USA TODAY Published 10:25 a.m. ET May 15, 2018

Trump began by honoring police officers that were killed in the line of duty.

*"To the families and survivors with us this morning, I know today is filled with sadness and pain. But today is also filled with love — the love of an entire nation wrapped its arms. And they have wrapped their arms right around you. They love you. They're praying for you, they're grieving with you, and pledging to you that we will never forget our heroes, ever. (Applause.) And thank you. Thank you. (Applause.) You know what I mean. You know what I mean. They're looking down and they're proud of you, and they love you so much. Thank you.*

*This morning, I especially want to speak to the young sons and daughters who join us here today. I want you to know that your moms and dads were among the bravest Americans to ever live."*

[Transcript](#)

[Video](#)

He honored the following police officers (and their families,  
who were at the event):

1. Lieutenant Aaron Allan of the Southport Police Department, Indiana
2. Officer Charleston Hartfield of the Las Vegas Metropolitan Police Department
3. Border Patrol Agent Rogelio "Roger" Martinez, from El Paso, Texas

After those, he honored Detective Miosotis Familia from the  
New York Police Department and her family. He then called  
her family up onto the stage.

(Transcript on the next page)

*“We are honored to be joined today by the family of Detective Miosotis Familia. (Applause.) Detective Familia was a proud member of the New York Police Department. Where is that family? Where is that great family? Great family. (Applause.) Thank you so much. Thank you so much. Can you come up here? This is a great — come up here, please. Come on. I’d like to have this family. (Applause.) New York Police Department, close to my heart. Come on. Can you open those gates, please? (Applause.)*

*So I promised I wouldn’t tell you that she’s 90 years old. But you know what? She is really something, right? (Applause.) You look like 55, maybe? Fifty-five, huh? Boy, I’ll tell you what — you got up those stairs better than I did. (Laughter.) Thank you, sweetheart. Thank you.*

*So I just want to say, the officer just — say something. You know what I’d like you to do? Say how great she was. Come here. He’s done this before. (Applause.) Say how great she was. You just told me something, that this was a great partner. Go ahead. Don’t get nervous.*

**OFFICER MAHER:** *All right, that was unexpected. (Laughter.) Yes, my name is Officer Maher. I was Detective Familia’s partner the night she was killed. And I knew her for about 10 years. I worked with her on and off. This is a woman who got injured a while ago, and volunteered to come back to patrol to one of the roughest places in New York City. She volunteered to come back, to leave a cushy job, to come back to patrol. She was only there for about two weeks, and I had the honor of being with her that night. And she may have been lost that night, but she saved a lot of lives in turn because of her memory and everything that transpired after the fact. She was an incredible person, and she is missed by the family. This family is — forget it, they’re incredible. (Applause.) Thank you.*

**THE PRESIDENT:** *Thank you very much. These are special people. They’re just special, special people. And I want to tell you that, last year, just a few hours after the city of New York celebrated the Fourth of July, Detective Familia was on duty in her vehicle, not far from Yankee Stadium. Big Yankee fan? You’re all Yankee fans, right?*

*She was ambushed by a man for the simple reason that she was a member of the police department — she was a member of law enforcement. That was the simple reason. The attack, because she was so incredible, was just looked upon so horribly. Her family — when people met the family, they saw what an incredible person she was. I just want to say that, to your entire family, it’s such an honor to have you up here. We weren’t going to bring you up, but I looked at you in the audience and I said, you have to come up, because you’re representing something so important. You understand that. She loved the department. She loved being a police officer. She loved her job. She was respected by everybody. They told me all about her. She was respected by everybody.*

*So she’s right now, right there. And she’s looking down, and she’s so proud of you. She’s so proud of you. And you are great. You are great. Thank you very much. (Applause.)”*

Some things must remain classified to the very end. NK is not being run by Kim, he's an actor in the play. Who is the director? The truth would sound so outrageous most Americans would riot, revolt, reject, etc.

The pedo networks are being dismantled.

The child abductions for satanic rituals (ie Haiti and other 3rd world countries) are paused (not terminated until players in custody).

We pray every single day for God's guidance and direction as we are truly up against pure evil.

Summit with North Korea & Kim Jong-un

# Here is the agreement Trump and Kim signed

f Share /  Tweet /  Reddit /  Flipboard / @ Email

Following their **private meeting** and a meeting with their delegations in Singapore Tuesday, President Trump and North Korean leader Kim Jong Un signed an agreement that Mr. Trump called "comprehensive" and "important," though it offers no detail about what the work toward denuclearization will entail.

The two leaders agreed upon a basic framework -- here are its **four components:**

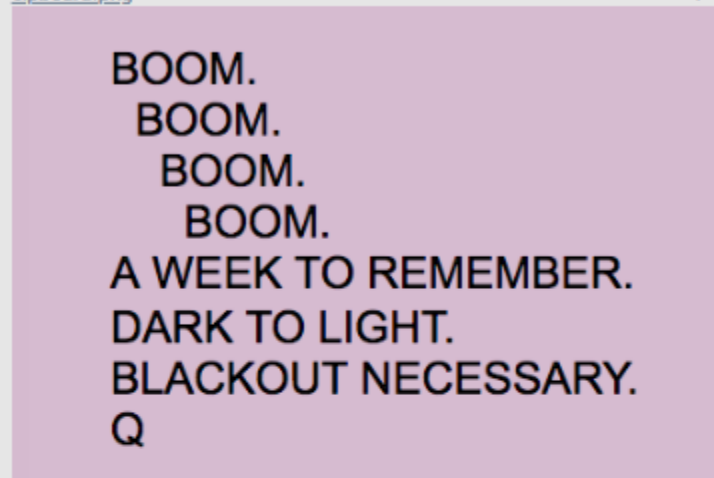

- 1 → "The United States and the DPRK commit to establish new U.S.-DPRK relations in accordance with the desire of the peoples of the two countries for peace and prosperity."
- 2 → "The United States and the DPRK will join their efforts to build a lasting and stable peace regime on the Korean peninsula."
- 3 → "Reaffirming the April 27, 2018 Panmunjom Declaration, the DPRK commits to work toward complete denuclearization of the Korean peninsula."
- 4 → "The United States and the DPRK commit to recovering POW/MIA remains, including the immediate repatriation of those already identified."

This one was definitely taken from the same spot as the one Q posted a month before – the Mandarin Orchard hotel. It's just a different angle and not zoomed in.

Reverse image searches on Q's photos never turn up anything, because they are unique (not posted before on the internet).

Although some of Q's photos are taken by them, some are pulled from the phones of bad actors.

About 9-10 hours after Q posted the pictures, Kim Jong-un went out for a tour around Singapore.

## North Korean leader Kim Jong Un visits Singapore attractions on eve of Trump-Kim summit

SINGAPORE - North Korea leader Kim Jong Un took time out from planning for a historic summit with US President Donald Trump to take in some of Singapore's iconic sites on Monday (June 11) evening.

Mr Kim, who has publicly left his country only thrice since taking power after his father's death in late 2011 (twice to China and once to South Korea), gamely posed for selfies with Singapore politicians and smiled for the camera as he was taken on a whirlwind tour of the city. The two-hour jaunt took in some of its best-known sights such as **Gardens by the Bay** and the **Marina Bay Sands** (MBS) integrated resorts.

# North Korea: Missile stoped

Thursday, November 2<sup>nd</sup>, 2017

This one is from Q's first days. The whole post is talking about North Korea and their nuclear capabilities. Missile is spelled incorrectly: it's missing an "i."

Would it blow your mind if I told you BO has been to NK and perhaps there now?  
Why did his administration do little to slow their nuclear and **missile** capabilities?  
Who feeds NK w/ strategic intel? Iran?  
What deal was done with Iran under BO?  
Why was the deal sealed under a top secret classification?  
Why wasn't Congress notified?  
Why after BO left office all of a sudden NK has nukes and the tech to miniaturize for payload delivery within the US?  
What about NSA CIA DI etc all confirming tech won't be in place for 5+ years (statements made in 2016).  
Why is all of this relevant and what does it tell you?  
Big picture is rare.

Just a few days before these posts, on December 18<sup>th</sup>, 2017, Q established the meaning of “FOX THREE” and “SPLASH.”

The screenshot shows a Q&A interface. At the top, a question is posted by user !UW.yye1fxo (ID: 82d434, No. 121409) on Dec 18 2017 23:38:43 (EST), with 366 views. Below it, an answer is provided by an anonymous user (ID: 6afbc6, No. 121392) on Dec 18 2017 23:36:13 (EST). The answer is enclosed in a dashed box and includes two red arrows pointing to specific IDs: >>121340 and >>121392. The text of the answer defines 'Splash' as 'Missile time of flight is expired or missile destroyed; target or bomb impact.' and 'Fox Three' as 'Simulated/actual launch of active radar-guided missile'. A button labeled 'ANSWERS' is located at the bottom right of the post area.

So, “Fox Three” stands for the launch of a missile, while “splash” means that the missile was destroyed.

Q

ANSWERS

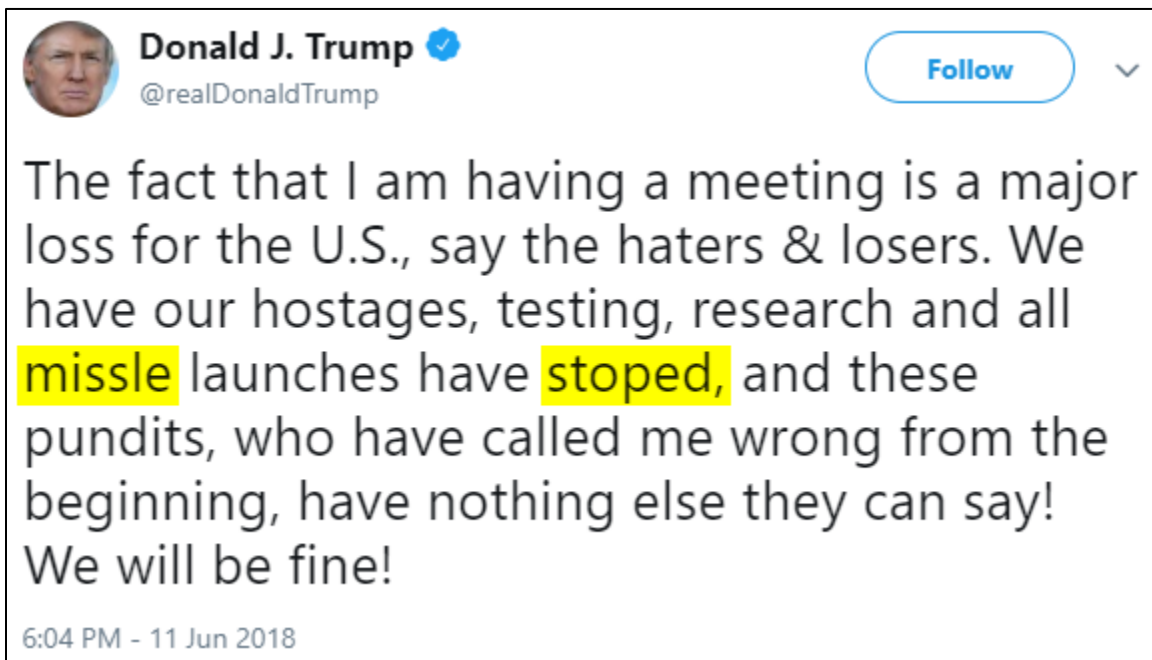

In this post, Q ties together the missile defense bill, the misspelling of “missile,” and the “Fox Three” and “Splash,” which we know stands for a launched missile (Fox Three), and because it was followed by “Splash,” the missile was destroyed before it could reach its target.

Based on this, Q seems to be using “missle” to indicate the use of missile defense systems to stop a missile before it reaches its target.

Monday, June 11<sup>th</sup>, 2018

6:04 PM EDT

(Just 3 hours before the beginning of the summit with North Korea)

“Coincidentally,” Trump misspelled “missile” as “missle” when talking about North Korea and their nuclear weapons, just as Q did intentionally multiple times when talking about North Korea’s nukes, and he also misspelled “stopped.”

MISSILE STOPED  
MISSILE STOPPED  
FOX THREE. SPLASH.

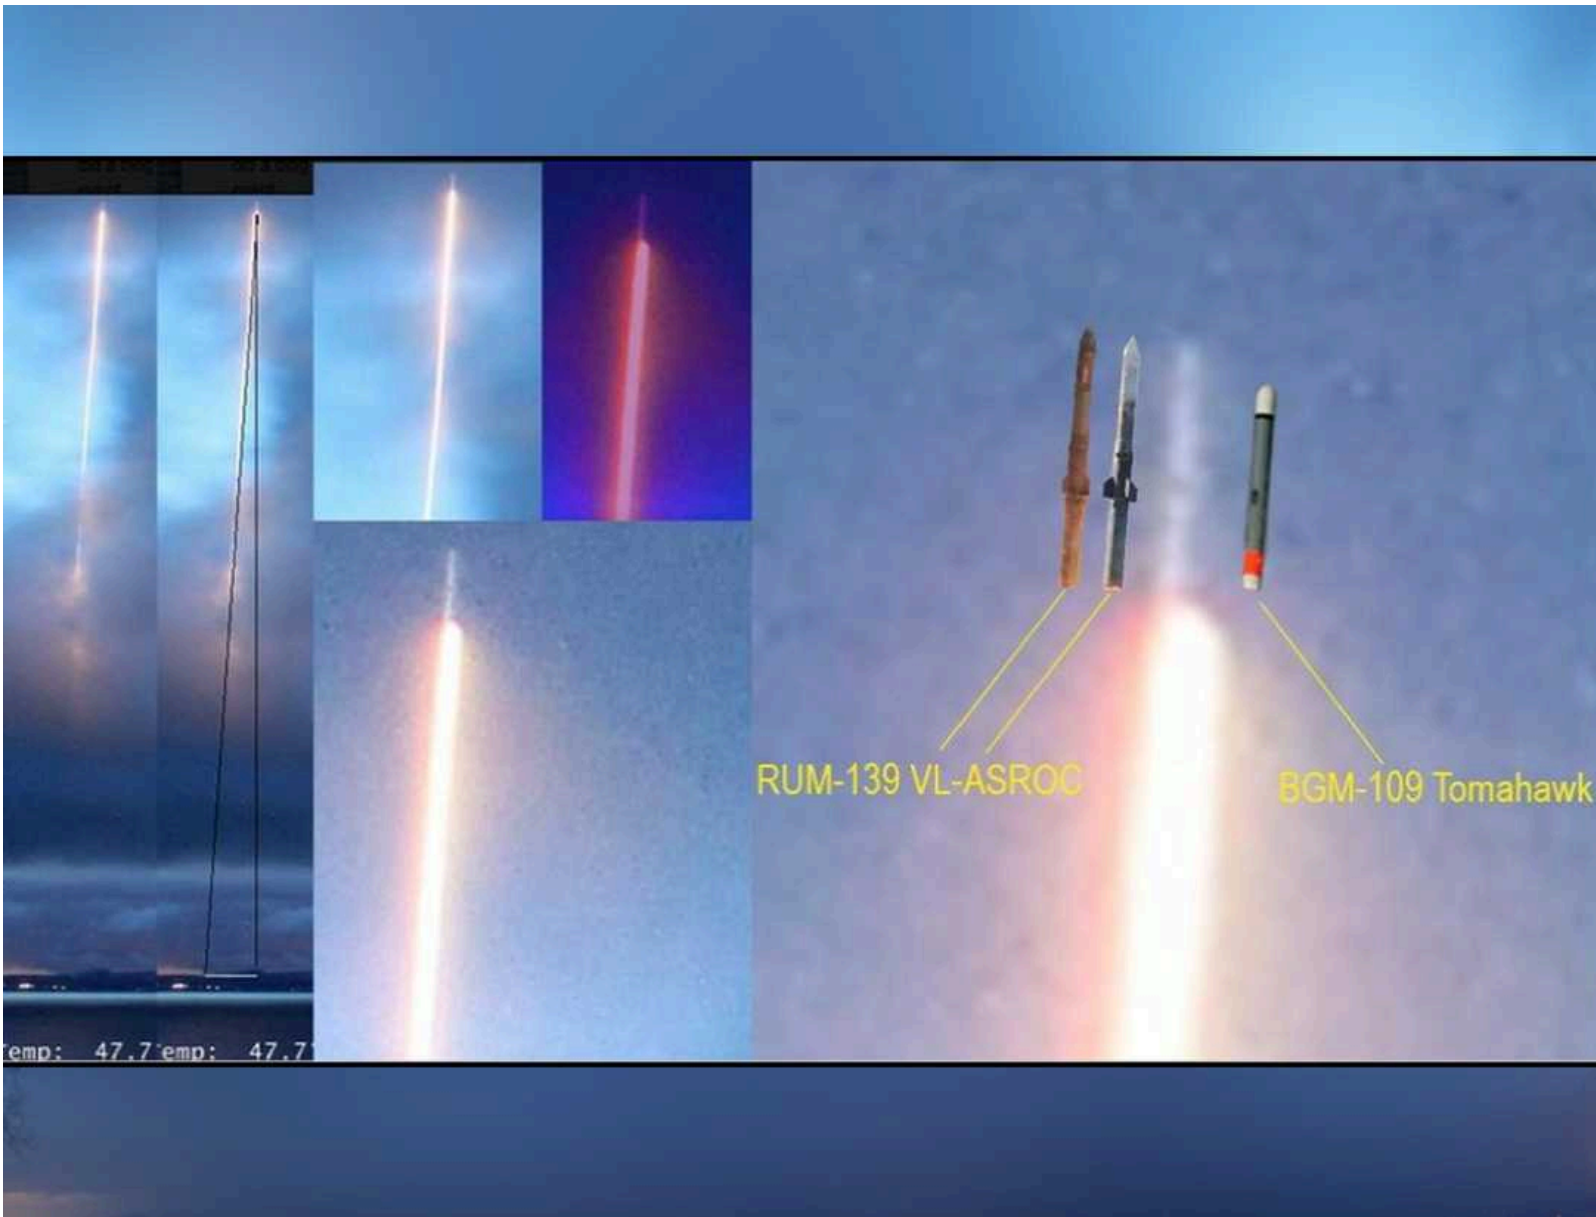

Also “coincidentally,” a camera in the state of Washington caught the launch of a missile around 4 AM PDT on June 10<sup>th</sup>, just the day before. The Pentagon denied that it was a missile.

If you look closely, you can even see that there's a "notch" near the middle – at the same exact point that other missiles have them, when you match them length-wise.

It certainly doesn't look like a helicopter, which is what the MSM said it was.

**6/12/18:** "Certain events were not suppose to take place."

**7/26/18:** "Facts (a case) he is suppose to be recused from?"

Q implied that there was a reason for the misspelling, but we haven't figured it out yet.

It's also worth noting that this was the only time Trump had ever misspelled "missile" as "missle" on his Twitter account.

**11:50 AM EDT, June 9<sup>th</sup>:** Air Force One (AF1) leaves Canada (G7 Summit) for Singapore.

**6:56 AM EDT, June 10<sup>th</sup>:** Missile is launched from near Seattle, WA.

AF1 landed in Singapore at 8:20 AM EDT.

🕒 PUBLISHED JUN 10, 2018, 7:45 PM SGT | UPDATED JUN 11, 2018, 6:11 AM

[Jeremy Au Yong](#) Deputy News Editor 

SINGAPORE - US President Donald Trump arrived in Singapore on Sunday (June 10) for a Tuesday meeting with North Korean leader Kim Jong Un he has described as a "one-time shot" at peace.

Air Force One - the American's president's official plane - touched down at Paya Lebar Air Force Base at around 8.20pm. He was greeted by Singapore Foreign Minister Vivian Balakrishnan.

**Article is in SGT (Singapore time)  
SGT is 12 hours ahead of EDT, so 8:20 PM SGT = 8:20 AM EDT**

That means the missile was launched 1 hour 24 minutes before AF1 landed.

Missiles like intercontinental ballistic missiles (ICBMs) have the ability to reach speeds of 15,000+ mph.

## Map Showing the Distance Between Seattle, Washington Usa and Singapore, Singapore

Seattle, WA, to Singapore is a little over 8000 miles.

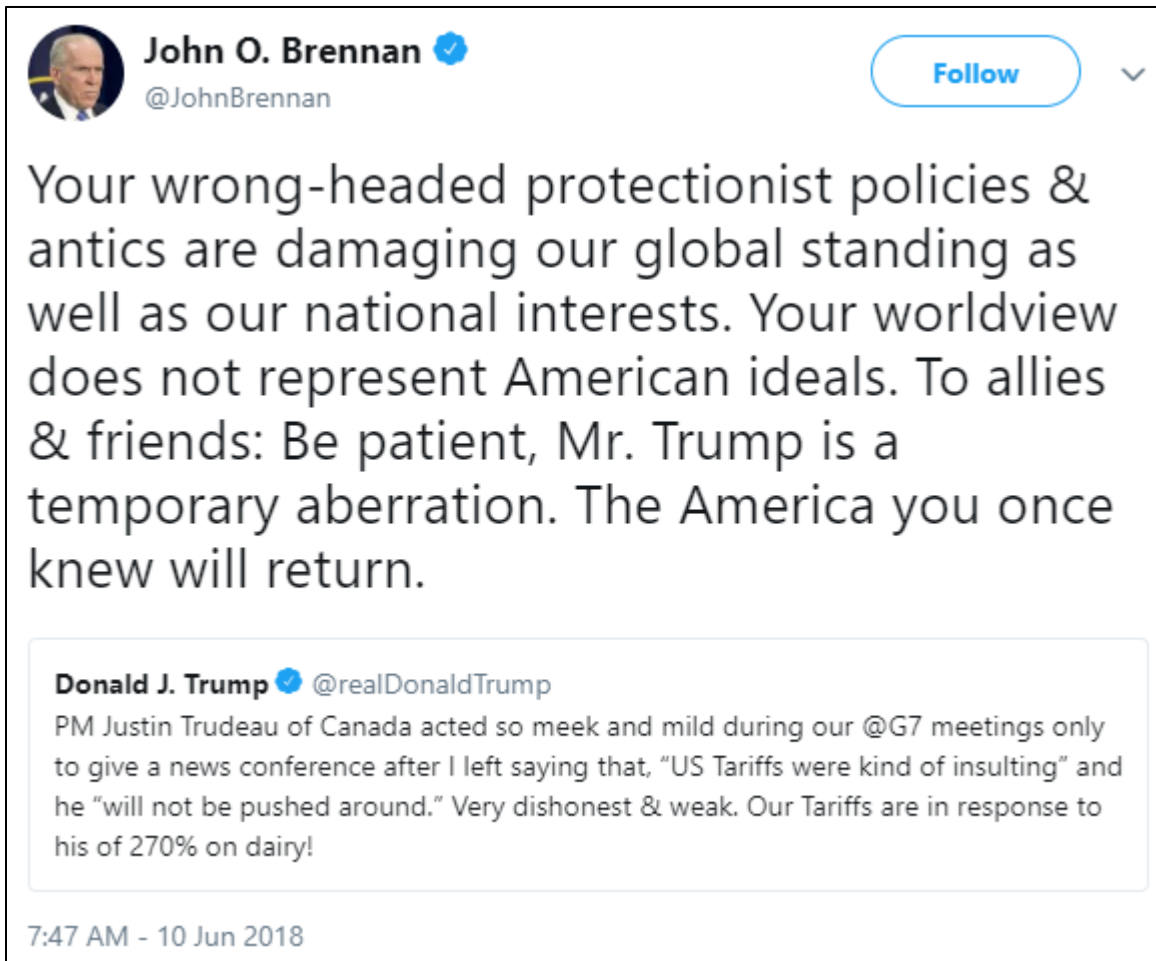

$8000 \text{ mph} / 15,000 \text{ mph} = 0.5333 \text{ hr} * 60 \text{ minutes (in an hour)}$   
 $= 32 \text{ minutes for a missile travelling } 15,000 \text{ mph}$

32 minutes is within the 84-minute timeframe between the missile launch and the landing of AF1, so it is possible that the missile was targeting AF1, as Q implied.

## 'VIVA LE RESISTANCE': MUELLER TEAM ATTORNEY SENT ANTI-TRUMP TEXTS

Chuck Ross | Reporter

6:52 PM 06/14/2018

G+

An FBI attorney who worked on the special counsel's Russia investigation until earlier this year sent anti-Trump text messages to a colleague, including one exclaiming: "Viva le Resistance."

The attorney's comments are revealed in a Justice Department inspector general's report released on Thursday.

The lawyer is not identified, but he worked on the Hillary Clinton email investigation and was the FBI's lead attorney on the investigation into Russian election interference. He was assigned to special counsel Robert Mueller's investigation soon after it began in May 2017 and left in late February of this year after some of his private messages were shared with the special counsel.

"I am numb," the attorney wrote on Nov. 9, 2016, the day after President Trump's election.

"I am so stressed about what I could have done differently," the lawyer continued, apparently referring to the FBI's handling of the Clinton email probe.

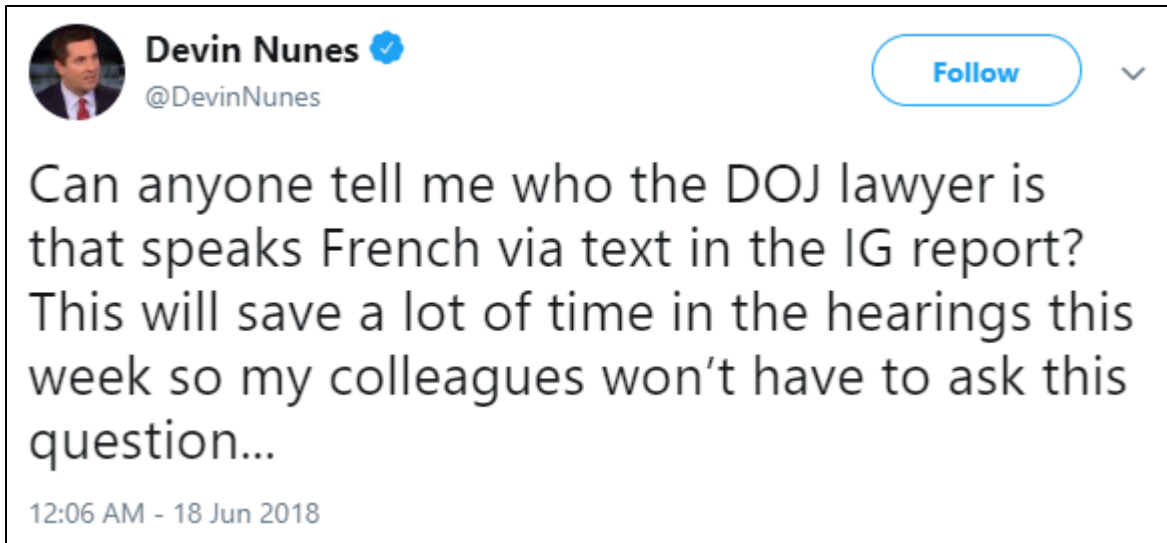

The attorney's messages show that he was distressed at the FBI's decision in October 2016 to re-open the investigation into Clinton's emails. Democrats have claimed that decision hurt Clinton at the polls.

The FBI lawyer also suggested that he would work to resist the Trump administration.

"Is it making you rethink your commitment to the Trump administration?" one FBI lawyer wrote on Nov. 22, 2016.

"Hell no. Viva le resistance," the future Mueller attorney responded.

Exchange shelters VERY senior member.  

Viv[a] vs Viv[e]: It is misspelled – there was an [a] where there should've been an [e]. The text was meant to be French (it is referencing the [French Resistance](#)), so it should have been spelled "Vive la Résistance" not "Viva le Resistance."

"Le" also should've been "la," so "a" and "e" were mixed up twice.

The Honorable John P. Carlin was the Assistant Attorney General for National Security from April 2014 through October 2016. As AAG, Mr. Carlin oversaw nearly 400 employees responsible for protecting the country against international and domestic terrorism, espionage, cyber, and other national security threats. Under his leadership, NSD worked with U.S. Attorneys' Offices and others to:

- Prosecute the Boston Marathon bombing cases.
- Disrupt multiple terrorist plots and national security threats and bring those involved to justice.

Prolly going down the wrong road here, but ...

Q post about sun, moon, etc.

Elon Musk.

Heat = Tesla cars exploding  
Moon = Full moon 6/27 (or 6/28)  
Stars = Musk b-day 6/28  
Missions = Space X launch 6/29

Don't know if the dates mean anything, other than pointing to Musk (raw speculation at this point).

Question: Anybody have info on Elon Musk? Seems to be Eric Schmidt vs. Elon Musk re: AI.

Tesla cars exploding. Any info about who was killed in one or more of these? Links to anyone in cabal?

Would Musk be someone who might testify about something? Fraud in the government handouts for alternate energy?

Anyone? Bueller ... Bueller?

## **VIPanon at North Dakota rally**

Wednesday, June 27<sup>th</sup>, 2018

We started calling the anon who wore the Q shirt at the Minnesota rally and got pointed to by President Trump "VIPanon," since he had a VIP pass that allowed him to sit where he did. VIPanon went to the North Dakota rally also, and got a VIP pass again. He was sitting in front of Trump and said that Trump pointed right at his shirt again and gave him a thumbs-up in the middle of his speech.

Scott Schools, a top aide to the deputy attorney general, is planning to leave the Justice Department at the end of the week, according to two people familiar with his decision.

The job title for Schools — associate deputy attorney general — belied his importance as a strategic counselor and repository of institutional memory and ethics at the DOJ. Schools has played a critical, if behind-the-scenes, role in some of the most important and sensitive issues in the building.

This year, Schools recommended that then-Deputy FBI Director [Andrew McCabe](#) be fired for a "lack of candor" in an internal investigation.

For years, Schools worked alongside another Justice Department mainstay, David Margolis, who was known as the "Yoda" of the department. When Margolis died, DOJ brass asked Schools to come back to Washington to try to fill those shoes.

President Trump is ready to give a speech at the Veterans of Foreign Wars of the United States National Convention. He came out and entertained the crowd, as usual. The song "Proud to Be An American" by Lee Greenwood was playing.

The song goes: "From the lakes of Minnesota, to the hills of Tennessee, across the plains of Texas, **from sea to shining sea.**"

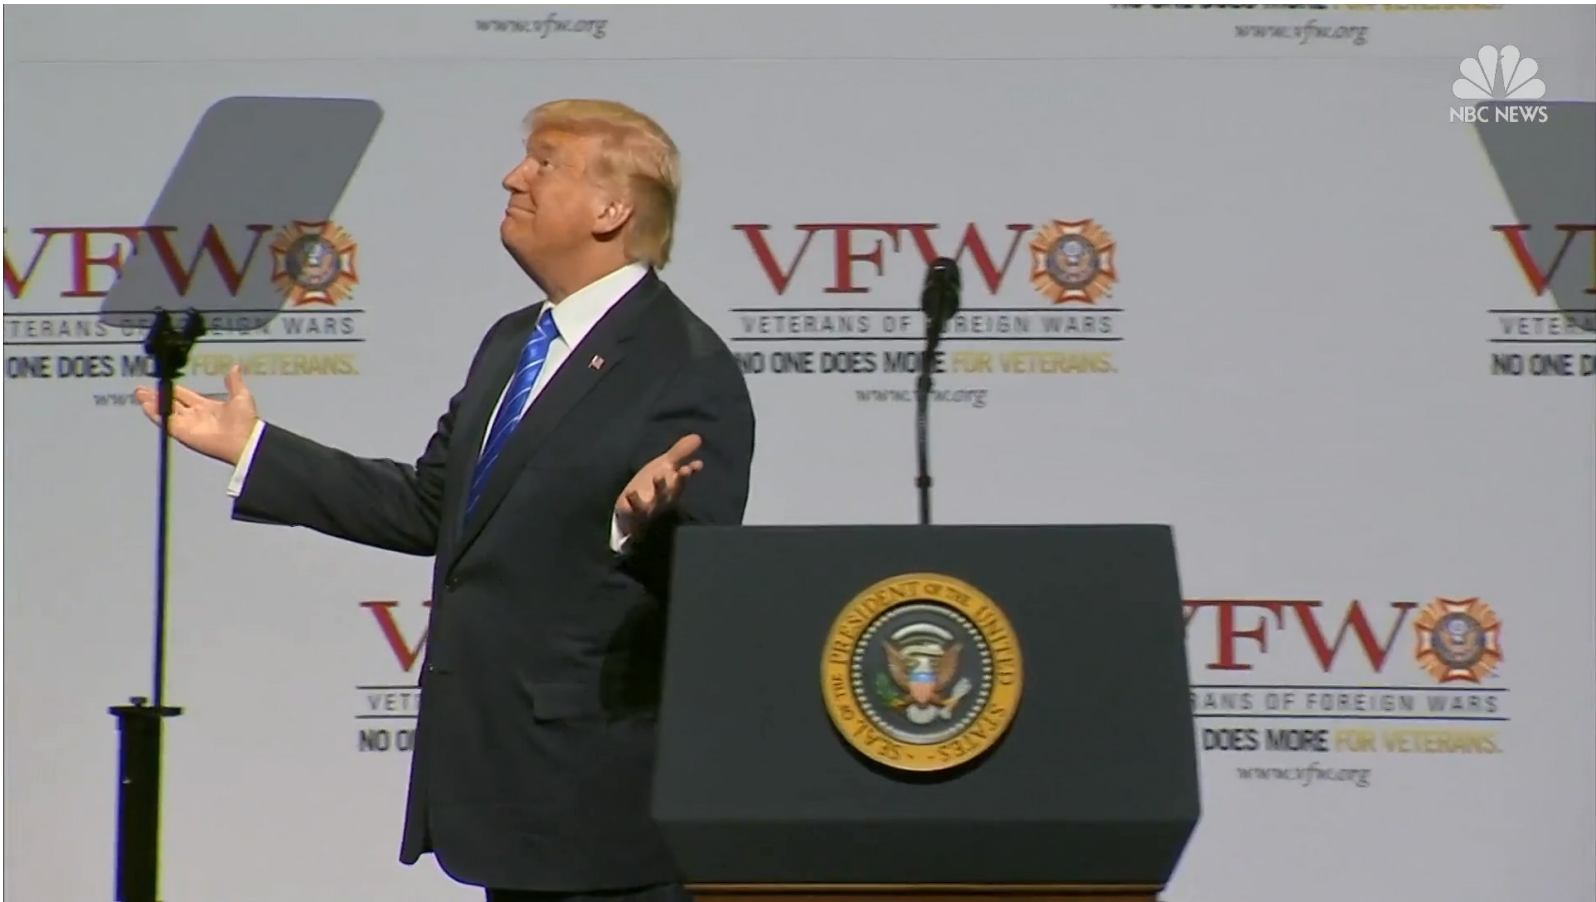

This is nothing out of the ordinary, since they play this song at every Trump rally. But, right as the "from sea to shining sea" part played, Trump pointed to the speakers and made a gesture, saying to listen.

Pictures shown on the next few pages.

You can count the people who have the full picture on two hands.

Of those (less than 10 people) only three are non-military.

Why is this relevant?

Game theory.

Outside of a potential operator who has been dialed-in w/ orders (specific to his/her mission) nobody else has this information.

Operators never divulge.

The profile header includes a circular profile picture of a man in a suit, a banner image of a large crowd, and statistics: 5,522 Tweets, 673 Following, 2.08M Followers, and 8,244 Likes. The bio identifies him as the Executive Vice President of The @Trump Organization, husband to @LaraLeaTrump, and a large advocate of @StJude Children's Research Hospital and #MakeAmericaGreatAgain. Below the bio is a link to Trump.com and a note that he joined in May 2009. A blue button labeled "Tweet to Eric Trump" is at the bottom left. On the right, the "Likes" section shows two tweets. The top tweet is from @OReally73, replying to @EricTrump, with a profile picture of a red shirt with "WWG1WGA QANON" and an American flag emoji. The bottom tweet is from Julian's Rum Glass (@JuliansRumGlass), replying to @EricTrump, with the text "Where we go one, we go all." and a profile picture of a man in a black shirt.

The White House Twitter account posted this 26-second-long video, where President Trump is talking about the farmers.

Near the end of the video, he said:

*"But we're gonna win, and we're gonna win big. **You just watch.**  
We have the cards, they don't."*

It truly sounds like, instead of saying "you just watch," he actually says "Q just watch." I slowed the video down to 50% speed and 35% speed, and to me, he clearly says "Q," not "you." There's a clear difference between what sounds like a "yuh" sound as in "you," and a hard "kuh" sound as in "Q."

Listen and decide for yourself.

FOR IMMEDIATE RELEASE

September 17, 2018

**Statement from the Press Secretary**

At the request of a number of committees of Congress, and for reasons of transparency, the President has directed the Office of the Director of National Intelligence and the Department of Justice (including the FBI) to provide for the immediate declassification of the following materials: (1) pages 10-12 and 17-34 of the June 2017 application to the FISA court in the matter of Carter W. Page; (2) all FBI reports of interviews with Bruce G. Ohr prepared in connection with the Russia investigation; and (3) all FBI reports of interviews prepared in connection with all Carter Page FISA applications.

In addition, President Donald J. Trump has directed the Department of Justice (including the FBI) to publicly release all text messages relating to the Russia investigation, without redaction, of James Comey, Andrew McCabe, Peter Strzok, Lisa Page, and Bruce Ohr.

## HOUSE INTEL COMMITTEE TO RELEASE TRANSCRIPTS OF TRUMP-RUSSIA WITNESS INTERVIEWS

Chuck Ross | Reporter

11:35 AM 09/16/2018

House Permanent Select Committee on Intelligence Chairman Devin Nunes said Sunday that he plans to release transcripts of interviews with around 70 witnesses in the Trump-Russia probe within the next few weeks.

“We believe that the depositions that we took, I think for nearly about 70 people those need to be published, and they need to be published I think before the election,” Nunes said in an interview on Fox News’ “Sunday Morning Futures.” (RELATED: House Intel Committee Releases Long-Awaited Report On Trump-Russia Collusion)

Every time POTUS spells something wrong on Twitter, anons quickly try to break down what the misspelling could mean; every mistake is analyzed in-depth. Despite the fact that he misspells things often, the only other time I remember him misspelling a word with a "Q" in it was the "[consensual](#) -> [consequential](#)" proof. If he misspelled a word with a "Q" at any point, it would've been well-known on the board and I don't remember it coming up on the board at all.
